

GROSSE-ISLE
EMIGRANT STATION.

A LETTER ADDRESSED
TO THE
INSPECTORS
OF
HOSPITALS, PRISONS AND
ASYLUMS.

"The most vigorous of new settlers, in countries
"essentially healthy, rarely escape that trial of con-
"stitution which affects both physical and mental
"energy. But this process of acclimation, while it
"fits the robust for enduring their new life, frequently
"weeds out the weakly and sickly."
