To pass Grade A (scientific) a minimum aggregate of 1000 must be made on twenty papers, including all in groups (A) and (C) and any other *five* papers.

To pass Grade A (classical) a minimum aggregate of 1000 must be made on twenty papers, including all in groups (A) and (B) and any other *four* papers.

The old Grade A may be quoted as Grade A (classical.)

Those who obtain an A (scientific) or A (classical) certificate will be allowed to pass an examination on all other papers of the full syllabus than those taken previously by them, and if successful will be granted the diploma "A (classical and scientific)." For the same diploma, former Grade A teachers must also take "Psychology" and "Sanitary Science;" but their Grade A "Physics" or "Chemistry" or "Geometry" or "French" shall for this purpose be deemed the equivalents, respectively, of the papers (C) 1 or 2 or 10, or (D) 1.

Candidates for this grade of certificate who make the minimum passing aggregate but fail to pass on account of deficiency in one or more subjects, will be allowed a supplementary examination at a future terminal examination on all the subjects on which they made less than 50 per cent; and if 50 per cent. of the maximum is made on each of such subjects the candidates shall be awarded an "A" certificate.

COMMON SCHOOL LEAVING, OR COUNTY ACADEMY ENTRANCE EXAMINATION.

At the end of each school year, during the first week in July, a public written examination lasting two days, is held at each county academy (which is the high school in each county receiving a special Provincial grant of money for the free education of all in the county who are qualified to enter). The examination questions are sent out from the Education Department, and cover specially the work of the highest grade of the common schools. The examinations are held simultaneously in each county throughout the Province under strict and uniform conditions. The candidates' papers are examined by the principal of each academy and his staff, according to a prescribed plan. The successful candidates are entitled to Provincial certificates signed by the principals of the academies, which certificates will admit them without the payment of any fee into their respective county academies.
