

NORTHWEST TERRITORIES.

Calgary	Edmonton	Medicine Hat
Regina	Moose Jaw	

BRITISH COLUMBIA.

Grand Forks	Vancouver	New Westminster
Rossland	Nelson	Ferni:
Kamloops	Victoria	

YUKON—Dawson

Thus bringing not only every important point in the Dominion of Canada in touch by wireless telegraphy, but also Europe, through the station to be erected at Halifax, and Asia from stations on Vancouver Island.

All doubts of the practicability of wireless telegraphy may now be abandoned.

These new competitors must be somewhat disconcerting to managers and shareholders of the older systems of telegraphy, but they will no doubt prove equal to the problems confronting them and maintain their ascendancy as heretofore.
