## HIRAM CARPENTER'S WONDERFUL CURE OF SKIN DISEASE

After 20 Years of Intense Suffering.

"I have been afficted for twenty years with an obstinate skin disease, called by some M. D.'s. psoriasis, and others leprosy, commencing on my scalp; and in spite of all I could do; with the help of the most skifful doctors, it slowly but rurely extended until a year ago this winter it covered my criffic person in the form of day scales. For the last three years I have been malle to do any labor, and suffering intensely all the tirle. Every morning there would be rearly a dust panful of scales taken from the sheet on my bed, some of them half as large as the envelope containing this letter. In the latter part of whiter my skin commenced cracking open I tried everything, almost, that could be thought of, without any relief. The 12th of June I started West, in hopes I could reach the Hot Springs. I reached Detroit and was so low I thought I should have to go to the hospital, but limitly got as far as Lansing Mich., where I had a sifter living. On Dr.—treated me about two weeks, but dime no good. All thought I had but a shot time to live. I carnestly prayed to dictracked through the skin all over my backacross my ribs, arms, hands, limbs; feet bad swollen; toe-nails came off; finger-rails sea and hard as a bone; hair dead, dry and lifele as old straw. O my God'f fow I did suffer.
