To-night's game at Excelsion Rink, College-street, between Eatons and Parkdale should pack the fine. It is too bad that the accommodation is so limited at this rink. The demand for tickets has been about four times the supply. There has been practically no betting on the game so far, the little that has been put up being placed at even money. Eatons speed will not be as effective on the small sheet.

ELMIRA, Ont., Jan. 26.—Elmira turned out one of the largest crowds of the season to see the Intermediate O. H. A. game between New Hamburg and Elmira. New Hamburg Club ran a special train, which brought in about 200 hockey fans. The game was fast and clean thruout, only a few penalties being handed out. Elmira's combination worked out to a nicety. You pay. About that there is no room for doubt.

And it's more than likely you believe in the necessity of the tariff. But—of what earthly good is it if you pay the duty?

The foreigner laughs at duties imposed by our government as long as you are willing to cash up. Take beer, for instance.

Ottawa Defiant Usual Method in The Pro. Game

OTTAWA, Jan. 25.—The Ostawas do not take Mr. Lichtenhein of the Wanderers very seriously in his threat to have them expelled from the N. II. A. The local club are adopting a defiant attitude in the playing of Fred Tay.or, and have practically told the N. H. A. that they will have to sanction the deal or do without the Ottawas in the league for this season, the Ottawa executive making the plain that they will not have anything but approval of their action by the league. The locals feel that, with only four teams in the league, and the Wanderers and Canadiens with their season tickets all sold, there is very little danger of the league pressing the Taylor case.
