Brooklyn and Suburban Allotments as Figured Out by W. S. Vosburg.

BEN HOLLIDAY AT THE TOP IN BOTH.

Have, 113, and Tragedian, 110, in Suburban - Jean Renaud the Best 5-Year-Old.

New York, Feb. 1.

The thousands interested directly or otherwise in the issue of the forthcoming Brooklyn and Southern Handicaps can do their guessting on a tangible basis from now on, for the weights are out. Handicapper Vosburg has had an arduous task since the entries for the two big events closed, but he has finished his work in a fashion which leaves little if any room for fault-finding. As was generally anticipated, top weight in each race is allotted to Ben Holliday, Tilo and Algot are rated next in the Suburban, while in the Brooklyn, for which Tilo is not entered, Algot ranks next to Holliday, from whom he receives three pounds, as against four for the Suburban. Then comes King, followed by both races with a pound more to carry than the noted Billy Sweet.

James E. Keane's horse St. Cloud, that showed such good form in England as a 3-year-old, is sized up as a match for the Brooklyn Jockey. While the latter gets with a few pounds less, the Western 4-year-old, Lieber Karl and Pink Coat, are pretty well matched, and the latter is favored.

Tragedian, a handicapped as best of the 3-year-olds, with Autumn next, Kingdom, King Barleycorn, Ahom, The Kellie, and the others, are all well bunched at the light weight end of the scale. Boney Buck marks the minimum in the Brooklyn allotments, and Hungarian occupies the same modest place in the Brooklyn.

The Brooklyn Handicap of \$10,000 is for 3-year-olds and upward, at 114 miles, to be run on May 27 at the Gravesend track of the Brooklyn Jockey Club.

The Suburban, of \$10,000, is for 3-year-olds and upward, at 1 1/2 miles, to be run on May 17, at the Gravesend track of the Conroy Island Jockey Club.

Sockalexis probably will be used as a freak show on some Eastern Western League team next season. His value as a sidekick in the big league is nil. -Cincinnati paper.

Among the new teams to appear in college baseball in the east next season will be the University of Toronto, Canada. This team will visit the east early in June and will play the visiting teams of New York and New England. For several seasons past the Canadians have played well, and also the distinction of being the strongest amateur team in Canada. -N.Y. Journal.

Second race, Hart of the Chicago Club announced recently that the makeup of his team for next season would be as follows: Catchers, Griffith, Thayer, Callahan, Phyle, Thornton and Koty; Infielders, Everett, McCreedie, Schenckel, Gordon and Hamilton; Outfielders, Ryan, Lange, Green and Meretz. This is the strongest team the club has had in several seasons.

The Worcester Telegram says the Eastern League club in that city is likely to be a Boston farm this season and names Catcher Brantford, Infielder Smith and McKee, Hickman and Pittenger as probable losses from the Boston club. Charles Ganzel is also mentioned as a probability for first base and captain. Ganzel says he has quit the diamond. Worcester ought to start out with a more independent team than a farm club, else the fans will be howling when Manager Seeger pulls some of the men back to Boston in mid-season.

Concerning the New York State League meeting, a special dispatch says applications from F. Fogarty, Binghamton, Amsterdam, Schenectady, Gordon and Hamilton, Ont., were received. In all probability Binghamton, Albany and Schenectady will be the clubs to be formed.

Rome was elected treasurer to succeed W. A. Powers of Palmyra. He will furnish the details of the meeting. President Farrell's salary was increased from \$850 to \$900 a year. The salary limit was left unchanged as was also the guarantee at \$40 or 40 per cent. of gate receipts. The directors decided to advance the league from its present date to the first of June. Young will be on motion of J. A. Seeger of Ontario. A meeting was abolished in New Jersey and players must show their release from the old team in which they participated will be forfeited. The season will open on May 12 and close on Sept. 9.
