IS IT A LOCAL ROAD?

Mr. Pugsley Objects to L. & S W. Declaration.

OTTAWA. April 2.-(Special.)-On the bill of the London and Southwest ern Railway, Hon. Mr. Pugsley said to-day he could understand that many wholly within the province might be for the general advantage of Canada, but his idea was that this rallway was purely local in its character. One clause provided for a railfrom London to Sarnia and anr from London to Lake Huron, but he was not aware that it was anything ore than a local line. There ought to te some principle to guide the house. Mr. Conmee argued that it was pro-posed to build wharves and connect steamship lines, Major Beattle contended that the

ead was not a local one as Mp. Pugsley contended.
There was no further objection and the bill was advanced a stage.
