Lies within our hearts concealed.
Far beyond this world of sorrow
Far beyond this world of care.
We shall meet our darling father
In our Father's mansion fair.
Do not ask us if we miss him.
Oh, there's such a' vacant place.
Oft we think we hear his footsteps,
Or we see his smiling face.
He has gone to higher regions,
Sofe from every grief and care.
We shall meet again in Heaven,
And never more be parted there,

The Value of a Ten Dollar Bill

There are occasions in life when even a small sum of money, wisely used, will produce results that will echo on for good throughout a lifetime. We have all had such opportunities—we have not all been equally far-seeing in grasping them. This great Stock-Taking Sale of high-grade pianos at mere fractions of original cost is emphatically just such a psychological moment for all those who would like to grace their homes with that greatest of all influences for beauty and refinement --- a high-grade Piano.

"Every Piano Must Go! Customers to Make the Terms"

THESE are the orders given our Sales Staff. Not only have the prices of the largest stock of all high-grade new and used Pianos in Canada been cut down to and under the half-price mark, but the utmost liberality in terms has been ordered. Ten dollars cash will send to your home the Piano you have always wanted—the high-grade instrument of enduring worth that should be there. Think what this means: A new Piano for as low as \$247-splendid examples of standard makes, slightly used but in perfect repairdown to \$169. Who can afford to disregard a saving of from \$75 to \$175 when it concerns such a weighty purchase as a Piano-the purchase of a lifetime? Don't delay.
