

Canada Labour Code

The Acting Speaker (Mr. Ethier): Order, please. The hour provided for the consideration of private members' business has expired.

Mr. Knowles (Winnipeg North Centre): Mr. Speaker, I should like to take a brief moment to raise a question of privilege. This morning the House was good enough to endorse a motion which I offered congratulating the eight hon. members who were elected 20 years ago today and who have been here during that period of time. Because of the way my motion was actually worded, referring to those who were elected the first time 20 years ago today, I should have included at least one other hon. member who was first elected that day. I suppose the reason I did not include him this morning was that

he has not been here all the 20 years in between, but we congratulate him as well, and I should like to pay tribute as well to the hon. member for St. John's East (Mr. McGrath) on still being with us, even if he had a couple of terms out after having been first elected 20 years ago today. If there are any others, I include them as well.

Some hon. Members: Hear, hear!

The Acting Speaker (Mr. Ethier): It being five o'clock, this House stands adjourned until Monday next at 11 a.m., pursuant to the order made Monday, May 30, 1977.

At 5 p.m. the House adjourned, without question put, pursuant to Special Order.
