HIT

Sailor's Sweetheart" Splendidly Produced by St. The Every Day Club is unable to get a C. P. R. train service for the proposed regatta at Westfield in August. The har-John Dramatic Club Last Night -- "Caprice" Tonight.

The Germain Street United Baptist Church picnic will be held tomorrow at Westfield Beach. Trains leave at 9.25 a.m. and 1.30 p.m. Tickets 25c. and 40c. John Amateur Dramatic Club under the o be had at station. All members of direction of Theodore H. Bird, at the funday school go free. Quite a large number of the members of St. Stephen's church and Sunday school went to Weetfield Beach this morning on the 9.25 train. The children marched to the train headed by the Scots Company, Boys Brigade and the pipers.

The harbor facilities committee last evening completed their work of drawing up the act under which the harbor commission will be appointed and a meeting of the council will be held on Monday next, to consider the report. If the minister of public work has no objections the provisions of the act will be made public.

Opera House last night, when they presented "A Sailor's Sweetheart" before a large and fashionable audience. The acting collectively and individually, the costumes, the specialties, settings and scenic effects—all bespoke care even to the smallest detail and reflected the greatest credit on both instructor and performers.

"A Sailor's Sweetheart" is a comedy drama written along conventional lines, the interest centering around Tom Manly, impersonated by Mr. Bird, and Rose Prescott, cleverly portrayed by Miss Carrie Baillie.

This year, Miss Baillie does even better work than she did last season when Opera House last night, when they pres-

next, to consider the report. If the milister of public work has no objections the provisions of the act will be made public.

It is possible that a public motor car service may be started in St. John in the near future. An American concern has been enquiring about the license fees for such a service. The mayor states that a charge of \$20 a car would be made and each chauffeur would have to pay a \$7.50 license while the manager of the concern would be asked to contribute \$20 for a business license.

Drodge No. 4, owned by the Dominion Dredging Company, arrived at Yarmouth last Monday from this port. Captain Powell, who was most popular while captain of the small steamer Westport III, is in charge of the commissariat department of the dredge and likes the work very much. His many friends in this city extend to him the glad hand.

CENTENARY'S

NEW PASTOR

Prescott, cleverly portrayed by Miss Carties and will be made a big allie oses even better work than she did last season when she made a big hit in the role of Mercy Baxter in "Caprice." Her conception of Rose Prescott leaves really no room for adverse criticism, a fact which was clearly apparent, by the reception given her last evening. The strongest point about Miss Baillie's acting is the entire absence of staginess and the perfectly natural way in which she handled the roll entrusted to her. Added to this, her stage presence is particularly pleasing and she possesses a clear musical voice, her annunication being in all instances, perfect.

As for Mr. Bird—it is by no means necessary to remind St. John theatre goers that he has proven himself an artist of no ordinary ability but is one of the best instructors in dramatic art who ever visited this city. In "A Sailor's Sweetheart" he makes a splendid Tom Manly, a role which forms a striking contrast to any in which he has been seen here. He was last night accorded a tremendous ovation and it needs no telling that he has won for himself a very enviable reputation with local patrons of the theatre.

The major portion of the comedy was furnished by Alfred E. McGinley and Miss Helen Kenny, who carried off abundant shares of laurels. Mr. McGinley needs no introduction to local theatre goers and made a capital Si Kidder keeping his audience in roars of laughter

Pulpit for First Time on July 5th.

Rev. C. R. Flanders, B. D., the new pastor of Centenary Methodist church, will occupy the pulpit there for the first time on Sunday, July 5. Rev. Mr. Flanders comes here from Swanstead, Quebec. Arrangements are being made for a reception to the incoming pastor on Tuesday evening, the 7th inst., when members of the congregation, ministers of other Methodist churches and representatives of the Evangelical Alliance will welcome Mr. Flanders.

Addresses will be made and a musical programme will be carried out.

THE PLAYGROUNDS

Funds Required for the Work of Woman's Council This Summer.

The people of St. John do not need to be told of the value of the supervised playgrounds for children. These grounds will be opened as soon as possible by the Woman's Council, those on the Every Day Club grounds on Monday next and the Centennial as soon as the school board gives permission. The Council requires more funds than it has on hand, and therefore appeals to the citizens for contributions, large or small. Any subscriptions left with the Times will be duly acknowledged. The following have started the fund:
