

ANNUAL REPORT OF ST. JAMES' MORNING SUNDAY SCHOOL INFANT CLASS.

Number of scholars on the Roll	211
Average attendance.....	108
Children promoted to large school	37

The prospects for our class are very bright and encouraging for the coming year and we are looking forward with pleasure to what we hope will prove a very successful year. The names of the children now on our Roll are those whose homes have been visited since Christmas, and are all promised scholars.

On Easter Sunday morning we held our usual Floral Service. The Rector addressed the children, and what with the singing of Easter Hymns a very pleasant hour was spent.

The classroom had been prettily decorated with evergreen and plants beforehand, the children bringing cut flowers, which were afterwards sent to the Sick Children's Hospital. During the past year the children contributed \$25 to the support of a student at the St. Paul's Mission.

In presenting the report of the year's work we note with deep thankfulness the fact that the want of discipline which seems to have been inherent in this school since its formation, four years ago, is gradually disappearing, and that better order is now being maintained. This defect has been, we feel sure, a great hindrance to the school's growth, and we venture to predict that with the remedying of it there will be an increase in our numbers.

Our Annual Picnic was held on August 8th, at Oakville, when the children were given a pleasant day's outing. Our New Year's Festival was held on January 6th, in the School-house, and by the kindly aid of some of the young ladies of the congregation was made the most enjoyable one in the School's history. We would take this opportunity of thanking the ladies for their kindly interest in the School.
