#### REPORT OF COMMITTEE ON OFFICERS' REPORTS.

*To the Most Worthy Grand President, Officers and Members of the Sons of England Benevolent Society.*

SIRS AND BRETHREN,—We, your Committee on Officers' Reports, respectfully submit that we have considered the same, and desire to express our pleasure on the advancement of the Order as set forth therein.

The exhaustive address of the Most Worthy Grand President portrays the satisfactory progress of the Order during the past year and the great exertions put forth by him in promoting the welfare of our Society

We recognize the care and attention the Worthy Grand Secretary has given to his duties and the time and untiring energy bestowed in the careful preparation of his report. We would suggest that owing to the extreme length of the report, those portions that relate to unimportant details, and are not of value for permanent record, be eliminated before publication.

Those Clauses in the Grand Secretary's report, referring to proposed changes in the Constitution and matters affecting the administration of the laws, we would recommend to the Committee appointed for that purpose.

We are gratified at the excellent showing of the Treasurer's report and congratulate the Order on having such a respectable balance on hand.

We would recommend the adoption of these reports and that they be printed in the Annual Report, after the changes suggested in the Grand Secretary's Report are made.
