

IS IN MEMORY OF R. B. EMERSON

Beautiful Window in Stone Church Unveiled on Sunday

Completes Series of Eight—Shows Saviour's Love for the Little Ones.

Beautiful in design and of glowing colors is the handsome memorial window erected by the children of the late R. B. Emerson in St. John's (Stone) church to the memory of his father. The window is the last of a series of eight to be erected in Stone church and was unveiled with a simple and solemn service yesterday morning.

Rev. A. L. Fleming, the rector, G. A. Kimball and Dr. James Manning, acting wardens, received the window, and asked the rector to dedicate it. The window is on the ecclesiastical north wall of the church and runs the full height of the wall. It consists of two panels and in the lower part of the two panels shows the seated Christ with children grouped about Him and mothers bringing their children to Him.

TEXT OF INSCRIPTION. The inscription on the window is as follows: "Suffer little children to come unto Me for such is the Kingdom of Heaven." To the glory of God and in loving memory of Robert Burnett Emerson, born Oct. 10, 1848. Died Nov. 12, 1921. Erected by his children.

GIVES SERMON. In his sermon Rev. A. L. Fleming took as his text, "Suffer little children to come unto Me for such is the Kingdom of Heaven." He expressed the very deep appreciation of the corporation of the church to the donors of the window, which had been designed and constructed in London, England, by Clayton Bell, makers of the glorious East window of the church.

SKETCHES CAREER. Mr. Fleming said Mr. Emerson had for many years been a member of the congregation and of the vestry. He was born and brought up in Saint John and educated in the local schools. On leaving school he went to work in the city and in 1870 started in business for himself.

CLOSING REMARKS. Returning to speak of the subject of the window Mr. Fleming said that Christ had said "Suffer little children to come unto Me for such is the Kingdom of Heaven" for two reasons, first to tell people to help the children and second to let the children help the older people and lead them into a place of peace and blessing.

IN OTHER CHURCHES. Rev. G. Edgar Trueman, assistant rector at Sackville and Dorchester, was the preacher in Trinity church yesterday morning. He declared that in the realm of things social, political and industrial as well as in the realm of religion, faith without works was the characteristic attitude of the day.
