

Snappy Spring Suits

Just watch the other fellows admire that suit—and why shouldn't they?
The color is right—because it's the latest. The design is correct—because it follows the lines laid down by the best designers of men's clothes.
And to top it all, an excellent fabric is given clothes-expression by skilled and careful tailoring.

MENTAL DEFECTIVES.

An appeal to the Kiwanis Club of Montreal to assist the Canadian National Committee for Mental Hygiene, in its efforts to adjust the serious problem arising out of mental deficiency, was made last week by Dr.

C. M. Hincks of Toronto, secretary of the organization, and also by Sir George Burn of Ottawa, its treasurer. Sir George Burn cited cases of killing that had as-
tounded the community, and declared that much of this sort of thing could be averted, if due treatment were given the so-called "simple" persons.
