**GRIL HELD AS MEMBER  
OF BAND OF BURGLARS**

Anna Westervelt Arrested at End of Chase of Three Alleged Jewelry Thieves.

A chase which started Thursday afternoon when a detective discovered that one of the three men trying to sell jewelry to Nathaniel Miller, a jeweler at 1,225 Lexington Avenue, New York, was arrested, ended the police say, in the capture of a band of young burglars, one of whom was an eighteen-year-old girl. Crush in the tops of two Shredded Wheat Biscuits and cover with strawberries and cream—all the goodness of the whole wheat grain combined with the choicest product of the Canadian garden—a dish for the Summer days, full of real nutriment.

the confession of one of the prisoners, the police say, the band several weeks ago entered the apartment of Mrs. Elizabeth W. L. Stevens at 927 Fifth Avenue, carried a fair-sized safe down the fire-escape, put it in a taxi and took it to the flat where the girl, Anna Westervelt, of 1,492 Second Avenue, was living with one of the men, and there rifled it of between \$5,000 and \$7,000 worth of jewelry.

The girl, the police say, is the daughter of respectable parents who are spending the summer at Rockaway and did not know she was living with George Rubino, one of the prisoners to whom she said she was married, though the detectives say they denied it. Frank Rubino, brother of George, who was hit by a bullet in the chest, where he was taken after a vain attempt to dress his wound in the girls' flat. Walter McKee, 18 years old, one of the prisoners, according to the police, told of a number of burglaries in the seventies in the vicinity of Park Avenue, most of which were fruitless. He, the Westervelt girl and George Rubino were held in \$10,000 bail each in Yorkville

Court for examination on the charge of suspicion of burglary. George Rubino was wounded in the hand by the jewelry store proprietor who came to the detective's aid when the three men in the store set upon him.

**POLICE ARRESTED.**

Cox, of Toronto, were arrested here early Sunday morning by Windsor policemen on charges of being drunk, after they had attempted to arrest Patrolman McPherson and Fero on that charge. They pleaded not guilty to the charge this morning and will be placed on trial Tuesday.

## LOCAL NEWS

George E. Burton of the Rothesay Consolidated School, has been awarded the Lieutenant Governor's medal for Kings county. He made 907 out of a possible 1,000. He is the son of W. G. Burton of Rothesay.

These are busy days at the free vaccination clinic for future public school scholars. Twenty-eight small people lined up at the office of Dr. Mabel Harrington yesterday and were passed through the ordeal successfully and happily.

Mayor Schofield held a conference yesterday afternoon in his office with Commissioner Thornton and Chief Blake of the fire department representing the city interests, and George McArthur and H. O. McInerney regarding the fire escape equipment and other protection in connection with the seven-story apartment building that is near completion in German street.

Twenty-one Chinese residents of the West Indies arrived in this city yesterday on the steamship Chignecto and were turned over in bond to the Canadian Pacific Railway, which will see that they are landed safely in Hong Kong. The Chinese have been in business or employed in good positions in the West Indies and are going home to work off some of their surplus money.

**Y. W. C. A. MEETING.**  
A meeting of the board of directors of the local Y. W. C. A. was held yesterday with the president, Mrs. John A. McAvity, in the chair. Reports submitted showed great success in every branch of the association's work. Especially interesting was the report brought in by Mrs. J. D. Hunter on the C. G. I. T. camp at Chipman.

The president in her report announced that the new trained workers who were expected to take up their work early next month were as follows:—General secretary, Miss L. M. Tapscott of Fenelon Falls, Ont.; girls' work secretary, Miss Phyllis Wood of Toronto; physical director, Miss Caroline Littlefield of Ottawa; and temporary publicity secretary, Miss Ford of Ottawa. Miss Elsie Milligan has taken over the duties of financial secretary at the King street home replacing Miss Georgina Trueman. In conclusion she said that it was proposed that the Y. W. C. A. should assist the Red Cross society in caring for the rest room at the exhibition.

Mrs. W. C. Cross read the report for the cafeteria and the King street house. She attributed much of the success which attended these institutions to Mrs. Harrie, the house mother.

Mrs. R. A. Jamieson, as convener of the Travelers' Aid, reported a change in the staff. Miss Kirtle has been appointed to replace Miss Berwick and will assist Miss Hoyt.

**LIVED ON 24 CENTS A YEAR.**  
London, Eng., Aug. 16—An old man who lived in picturesque independence of housing problems has died at Hitchin. He built a hut on his garden allotment and defied attempts to prove that by living in it he was creating a public nuisance. Water was drawn from a neighboring stream and he used candles for lighting. He paid only twenty-four cents a year for his plot and lived almost entirely on his allotment produce.
