SPORT NEWS OF A DAY; HOME AND ABROAD

On Dick's Alley. The C. P. R. won a match game on Black's alley last night from the Mc-Avity team. The totals were 1270 to 1231. Jack was high man for the C. P. R., while Leahy was high for the losers.

The Boston Post says—According to the officials of the Pilgrim A. A. in a statement made to the sporting editor of the Post late last night, Revere Martin Clougherty stated to the said officials after he had given the decision to Crose, that in his opinion he is unconditionally waived toward the wrong corner, and that his intention was to have given Hunk the decision.

One Martin Clougherty made his debut and farwell appearance as a referee in Boston last night when at the Pilgrim A. A. show at the Arena, he handed a punch in the shape of a decision to Buck Crose of Pittsburgh after the latter had been out-pointed in nine of twelve rounds by Leo Houck of Lancaster, Penn.

It was one of the most deliberate and cold-blooded robberies ever pulled off in Boston, and had no sooner been announced than a host of anger and indignation broke from the 2,000 fans who attended the show.

It was lucky for Clougherty that he quickly left the Arena for the furious fans would surely have mobbed him.

Events of the evening, however, shaped up to just the decision that was rendered, for two hours before, Hector McIntosh, announced as the official referee for the club, was replaced by Clougherty after the former had entered the ring and the preliminaries for the first bout were in their corners.

For fifteen minutes after the show was booked to start, an argument lasted about the ring between McIntosh and club officials, and finally Hector announced that he had been displaced by the club as its referee. "I leave this ring under protest," he said, "but no one can say that I have ever been anything but straight and have given decisions on the level."

Bouts Tonight. Paul Kohler vs. Clarence Ferris, Kansas City. Paul Dorey vs. Kid Kansas, Buffalo. Steve Kennedy vs. Twin Miller, New York.

Match for Gibbons. George McDonald, manager for Matt Wells, yesterday announced in New York that a match had been arranged for between Sid Burns, the English welterweight and Mike Gibbons, of St. Paul, for May 20.

St. John Team. The local baseball situation has cleared up in the last few days and it is now sure that St. John will be represented in the New Brunswick and Maine league by the fastest team that this city has seen.

Joe Page has been in several of the larger cities of the United States and has signed up a bunch of fast players, who if they play at all up to their reputations, should land the pennant in this league.

The following are some of the players who will wear the Marathon uniform during the coming summer: John Cannon, who has been with Brockton in the New England league, and is considered one of the best catchers outside the big league; Jack Nelson, who is well known here as catcher and outfielder of last year's Marathon team; Al White, a spare catcher of the Chicago White Sox, who played with the St. John's.

Among the pitchers signed are John Lamb and D. J. Hayes, of the Connecticut state league and Sheldon Cook, who is a young college player, six feet tall and weighs 178 pounds. He pitched eighteen games last season and won sixteen of them.

George Sullivan, who was seen here last year at first for the St. John's, Joseph Dolan, of Boston, who has a great reputation as a third baseman; Hugh Finkerton, the fast short stop of last year's St. John team and who was with the Chicago White Sox early in the season; Joe Turbell of Vermont University who was here last year, will come again and bring his own catcher, Nayer, who is considered one of the best Vermont catchers turned out; Al Sweet, who was here last year will return and Ramsey, Copeland, Riley and Lynch, the local men, will also

figure on the team. Labatt, a young player from St. Joseph's College, will give a try out with the locals. Walter Woods, baseball coach of Dartmouth University has written to the local management to place the college battery here during the vacation and these two men will report early in June.

Base Ball in Moncton. "Was Moncton a baseball town? Is baseball in Moncton at the present time dead? The first question can be answered with ease, as it is generally conceded all through the province that Moncton was always a good baseball town. But as to the second we are in doubt as to the attendance at last night's meeting of all those interested in baseball was far from up in a fringe."

This quotation is from the Moncton Transcript. Another meeting to discuss the situation will be held on Monday evening.

Sussex Diamond. An effort is now being made in Sussex to provide the town with a first class baseball diamond, which is at present lacking.

Hal Chase Ill. New York, May 8.—A statement made publicly regarding the condition of Hal Chase, the star first baseman of the New York Americans, shows that he is in a sanitarium in the city, being treated for a serious form of stomach trouble. Hopes are still expressed, however, that he will recover in a short time and rejoin the team. Chase was taken ill in Washington last week and returned to his home in this city.

The St. Peter's Juniors last night defeated the York Point Stars, 9 to 6, on the N. M. C. A. diamond. Higgins and White and O'Brien and Driscoll were the batteries.

The Ring. Stewart Beats Smith. New York, May 10.—Jim Stewart, of Brooklyn, defeated Gumbat Smith, of California, in a ten-round bout at the National Sporting Club, last night. Smith weighed 176½ and Stewart 20½ pounds.

At the end of the tenth round, the referee, Patsy Haley, walked over to Stewart's corner and raised Stewart's left arm high over his head, the method in vogue of indicating a winner, when decisions were permitted in this state. It was generally understood that in this manner the referee would render a decision, and it was accepted as a decision.

A considerable surprise was expressed by boxing fans at the action of the referee in giving a decision. Frank O'Neill, boxing commissioner, said that while the referee's act was not in direct violation of the Fraley law, it was in opposition to the rules laid down by the commission and he would report the occurrence to Attorney-General Carmody.

MAJORITY FOR HOME RULE GROWS LARGER

Second Reading Passed in Commons, 372 to 271.

London, May 9.—The government carried the home rule bill on its second reading in the house of commons tonight by a majority of 101 as against 84 for the first time. The vote was 372 to 271.

It was the most largely attended house of the present parliament. Both sides had done their utmost to secure every available vote. Mr. Balfour, former opposition leader, and Mr. Churchill, first lord of the admiralty, returned from Weymouth in order to be present.

The announcement of the figures, showing an increased majority, occasioned enthusiastic demonstration on the government side and the prime minister was given a great ovation on leaving the house with his wife and daughter by the crowd assembled to try to rescue others, but that Sir Compton and Lady Duff-Gordon objected, saying their boat might be swamped. The libeal was not headed to meet its capacity. Later the boat crew were divided 53 from Sir Compton.

NOT FOR COMPROMISE

Liberals Are Not Making Any Such Arrangements in Provincial Contests.

There is not the slightest foundation for the statement that there may be a compromise which will result in Mr. Baxter and Mr. Bentley being returned unopposed in St. John county. Such a proposition has been made to Liberal leaders, and there will be no compromise on their part.

The proposition even went further and suggests that Mr. Bentley and a colleague of the opposition should be returned in St. John county and four members supporting the government should be returned in the other counties.

These propositions were laid before the opposition leader and firmly rejected. It was stated that the opposition should be returned in St. John county and four members supporting the government should be returned in the other counties.

A well known resident of Indimont is confined to his home as a result, it is said, of an unsuccessful attempt to commit suicide on Wednesday night last. It is said that he inflicted several cuts in his throat with a razor.

MONCTON TORIES AT ODDS

(Moncton Transcript.) The Sackville Post has it all fixed for Moncton. It elects the Tory nominee for the city and says he will get in without any trouble. It also adds whatever it means, that he is a good speaker and a "fighter." The public does not know much about the former, but there are some individuals in the Conservative party who are quite satisfied about the latter.

In the meantime, however, it might be added that the Moncton Times has not endorsed the Conservative candidate. It maintains a discreet silence, and is not bubbling over with the indignant enthusiasm which marks The Sackville Post, which does not know anything about it.

STREET RAILWAY EXTENSION; SUNDAY TRAINS ON I. C. R.

Hon. Frank Cochrane spent a busy time in St. John yesterday, the day being fully taken up with inspection of railway facilities and interviewing delegations.

Mayor Frink, Commissioner Schofield and Recorder Baxter met the minister in the afternoon and discussed with him the status of the Durant agreement concerning the Ballast wharf property.

Col. H. H. McLean and H. M. Hopper, on behalf of the St. John Railway Company interviewed Mr. Cochrane and arrived at an agreement with him regarding the crossing of the I. C. R. rails at Haymarket Square by their tracks.

The permission was granted, although the minister retained the right to amend it at any time, and the company will go ahead with the extension out the Red Head Road immediately.

In a newspaper interview Mr. Cochrane said that the government would keep its promise as to the branch lines of the I. C. R. He announced that, owing to increasing traffic, it would be necessary to run Sunday trains over the I. C. R. between Montreal and Halifax. It had not been decided whether or not St. John would be included in this service.

KINGS COUNTY POLITICS

Sussex Record.—Both political parties in Kings are getting ready for a local election. The government forces will hold a convention at Hampton, on Tuesday, May 14, to select candidates. It is generally understood that Fred M. Sproule, M.P.P., will not offer again as a candidate, and that another man will be named in his place.

The opposition will also meet on an early date, and will regularly announce at the same place to select one and possibly two candidates. A vacancy has been nominated at the last convention. Edward Gilbert may also retire from the ticket for business reasons, and this will leave a second vacancy.
