which load the hearses all over the land. Hence a reliable, family this sic is of the first importance to the public health, and this Pill has been perfected.

the definition of the carried state of an education state of the carried state of the carried state of the draws then selves, but of the maximal virtues only of vegetable sendence of the carried by chemical process, in a state of purity and combined together in such a manual carried state of carried state of the carried state of c assets a consumer as consumer no observes and a second or many section of composition for medicates have been counted in the Cherry Pectoral and Pills both, to produce a more efficient sensed; than had fill there been obtained by any process. The reason is perfectly obvious. While by the old mode of composition, evicery medicine is burdened with more or leas of acromotions and influence of the control of the curativa vidual virtuo only that is desired for the curativa monions and infusions of filties, by this, each findividual virtue only that is desired for the cursive effect is present. All the inert and obnexious qualities of each substance employed and before a cursive virtues both being remained. Hence it is self-critical the effect should prove as they have proved more purely remedial, and file littles surre; more powerful antidote to discuss than any other medicals, the known is the world?

As it is frequently expedient that my medicals shown is the world?

As it is frequently expedient that my medicals shown as the world?

Payerian, and as he could not properly side first tender without knowing fit composition. I serve supplied the accurate Formula by which boths are supplied the accurate Formula by which boths are read frowinces. If however there should be first the could be a prome who has not received them; they will be promptly forwarded to mail to his address.

Of all the Patent Medicanes that are offered, how less would be taken if their composition was known. Their like consists is their mystery. I have no mysteries.

Ther his consists in their mystery. I have no mysteries.
