MAGNIFICENT CONCEPTION. WON DER.

The necessity of a popular medium for the representation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The successive failures which so invariably allowed each attempt in this country to estab-lish an art journal. did not prove the indiffer euce of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied with enthu-

THE ALDINE, while issued with all the re gularity, has none of the temporary or timely interest characteristic of ordinary periodicals It is an elegant mi-cellany of pure, light, and graceful literature; and a collection of pictures the rarest specimen of artistic skill, in black and white Although each succeeding num beraffords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it is bound up at the end of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class THE ALDINE is a pointer and original expectation. unique and original conception-alone and un approached—absolutely without competition in price or character. Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native, herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. Billous. Remittent, and Intermit-

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumu, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bittens, as they will speedily remove the dark-colored vised matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestiva-organs. Bilious, Remittent, and Intermit-

ing the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Ernetations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, Walker's VINEGAR ETTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammalory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Laver, Kidneys, and Bladder, these Blood, Laver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-besters, and Minera, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of Walker's Vinceous Bitters of the Bowels. Pin, Tape, and other Worms, lurking in the system of so manythousands, are effectually destroyed and remeved. No system of medicine, no vermifuges, no anthelminities, will free the system from worms like these Bitters.

For Female Complaints, in voun or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Jaundice.—In all cases of jaundice, rest assured that your liver is not doing its work. The only sensible treatment is to promote the secretion of the bile and favor its removal. For this purpose ase Vineaus Britans.

Cleanse the Vitiated Blood when-ever you find its impurities bursting through the skin in Fimples, Eruptions, or Screes; cleanse it when you find it obstructed and aluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
