INGERSOLL, ONTARIO, TUESDAY, SEPTEMBER 5, 1905

PRICE ONE CENT

## New Fall Dress Goods!

THESE ARE NOW OF FIRST IMPORTANCE.

The history of this store is so linked with its superb Dress Goods Department that we feel it almost out of place to dwell on the subject of Dress Goods but we want our friends to appreciate the fact that our Fall Stocks are almost complete and this week we will be glad to show you the material for your new suit.

Chiffon Broadcloths—A soft, silky finish in a special costume weight. All the popular shades. Worsteds—Exclusive designs. Both weight and style suitable for fall or winter wear. Priestley's Cravette, 54 inches wide, both plain and fancy checks. Figured Lustres, popular lines and popular prices. Box Cloths, Serges, Etamines, Fancy Tweeds, Granite Cloths, Vicunas, etc.

BUY YOUR DRESS GOODS EARLY!

Miss Fisher will be in our Dressmaking Rooms this week. You had better reserve a place, even if you select your material for a gown later on.

An ideal place for a vacation and as a health resort where perfect immunity from hay fever may be relied upon. Situated 1,000 feet above the sea level. For tickets and full information call at the Grand Trunk office, E. J. Guthrie, ticket agent.

## APPLES IN ONTARIO

Three-Fourths of Lake Erie Orchards Report Failure.

## INSECTS MORE NUMEROUS

Pears, Too, Will Be a Light Crop—Plums a Medium Crop in Niagara and Georgian Bay Districts—Peaches Vary From Medium to Full Crops—Grapes Will Have a Full Crop.

Toronto, Sept. 5.—The first crop report for August, issued from the fruit division of the Department of Agriculture, Ontario, yesterday, shows conditions practically unchanged since the July report. The weather has been on the whole most favorable. A few wind storms have been reported, but the effects have been local and not in the large commercial orchards. Insects are slightly more numerous than last year, especially the codling moth and San Jose scale. Fungous diseases have not developed abnormally during the month.

**The Apple Crop.**—The apple crop is now so far advanced that a fair estimate can be made of the crop, the most serious disturbing factor being the usual September windstorm. The southern Ontario (Lake Erie) district will give a very light crop of winter apples. Three-fourths of the orchards have reported a total failure in early and fall varieties. Lake Huron district and central counties east to York will give a light to medium crop, with very few more than enough for local use. Some fruit will be available for shipping purposes. Lake Ontario district will show a medium crop of good fruit. Ben Davis, russets, and spys showing in a few cases a full crop. The early and fall apples are relatively a better crop than the winter fruit. British Columbia will be the only Province giving a medium to full crop. The Dominion as a whole will produce about one-third as many apples as last year, but the fruit will be free from scab, but somewhat more infected with cod-moth. There is also a general consensus of opinion that the present favorable weather conditions and light crop will cause the apples now on the trees to sell out much better than usual. It is also certain that much fruit that would be wasted in years of plenty will this year find its way to the market, so that the final result in barrels will be larger than present indications might otherwise lead to.

**Pears.**—With the exception of British Columbia, all districts showing a medium crop. No full crops are reported except in Keiflers, Bartlett's and Clapps are better than varieties.

**Plums.**—Plums are reported a medium crop in the Niagara and Georgian Bay districts, with much uncertainty on account of rot and curculios. British Columbia is harvesting a very full crop of plums, that with a larger acreage would seriously affect the market. The Japanese have been a good crop everywhere.

**Peaches.**—Early peaches have been a medium to full crop. The later peaches are a medium, and in some orchards a full crop in Niagara district, but almost a total failure in Essex and Kent, Kingsville and Leamington do not expect to ship any peaches this season to distant markets. The acreage everywhere has been so reduced by winter killing, that the crop is small and general. Peaches placed on the market will be much below the average. This will be probably the importation of peaches from Michigan, where the crop is good.

**Grapes.**—Black rot is not nearly so prevalent as for the last two years. A full crop of grapes is almost assured.

**Tomatoes.**—Early tomatoes have been a heavy crop and good yields are coming well.

**Foreign Countries.**—Conditions in Europe and the United States are unchanged. The crop is everywhere short, good prices are being paid for good fruit. This has stimulated shippers to send forward immature fruit. Several shippers have been prosecuted under the fruit market act for branding such fruit No. 1.

**HOW TO KILL A COLD.**  
No easier or more pleasant way than to inhale "Catarhazone"—it stops the cold instantly, clearing the nostrils and cuts out the phlegm. Try Catarhazone yourself.

**PRIVATE SALE.**  
Mrs. G. A. Thompson is leaving Ingersoll and will offer at private sale her household furniture which will be open for inspection to the public from the 6th to the 11th of this month. Persons wishing to inspect the above goods may call at any time between the hours of 9 a.m. and 5 p.m. each day.

**THE WEATHER.**  
Observatory Toronto, Ont., September 4.—Rain has fallen heavily today throughout the maritime provinces; likewise in "mar." portions of Quebec; elsewhere in the Dominion, with the exception of a few scattered showers in Ontario, the weather has been very fine.

**Probabilities.**—Lower Lakes and Georgian Bay: westerly to northwesterly winds, fresh to strong during the day; fair, stationary or a light to lower temperature.

## LABOR DAY.

Procession of 5,000 Melted into the Crowds at the Exhibition Some Big Parades.

Toronto, Sept. 5.—Labor Day here witnessed an enormous procession of organized labor organizations—estimated at 5,000, and forming a column over a mile in length. It was Citizens' Day also, and the two contributed the greatest gathering that ever flooded to the exhibition grounds on any one single day. Nearly 120,000 people passed through the turnstiles.

At the directors' luncheon was honored by President McNaught calling upon John Tweed and James Simpson, local labor leaders, for speeches. Hon. Geo. E. Foster, Sir George E. Drummond and Mayor Urquhart were also called upon as citizens.

Hon. T. Nason, Japanese Minister to the Dominion of Canada, has arrived here with his three little daughters to visit the fair. He reports that Baron Komura will call direct from Port-au-Prince and that he will not visit Canada. Of his own visit he said last night: "I have come to the exhibition because it is the strategic point from which I can see the goods that Canadian produce."

**Labor Day Elsewhere.**  
Hamilton, Sept. 5.—Labor Day parade here took three-quarters of an hour to pass a given point. There were games after the procession at which there were thousands of spectators.

Brantford, Sept. 5.—The labor men held a successful celebration here yesterday. In the morning a parade was formed of the various unions, and went to Agricultural Park, where an afternoon of sports, vaudeville and speech-making was indulged in.

Boston, Sept. 5.—Several thousand men participated in yesterday's labor procession, which was reviewed at the State House by Governor Douglas.

Washington, Sept. 5.—At a mass meeting at Marshall Hall, an address was made by Theodore Y. Powderly, former commissioner of the Bureau of Immigration. All of the Government departments were closed at once.

Philadelphia, Sept. 5.—The labor unions in this city celebrated Labor Day by a combined parade. More than 10,000 men paraded.

Pittsburg, Sept. 5.—Labor Day was observed here yesterday by a parade in the morning in which 10,000 men marched.

St. Louis, Sept. 5.—Labor Day was observed by a parade of about 17,000 men.

New York, Sept. 5.—Fifteen thousand men marched in the parade in the labor parade here yesterday. All through the rain poured with tropical precipitation.

## DRIVER WAS AT HORSES' HEELS

Seat Fell Off and He Was Dragged for Some Distance Under Heavily Loaded Wagon.

Thrown to the ground at the heels of a spirited team which he was driving and dragged for some distance under a heavily loaded wagon, the Ingersoll Packing Co. He had proceeded on Thames street as far as Jones's drug store, when without a moment's warning the seat of the wagon slid off, precipitating the driver at the heels of the horses. As the heavy seat rattled to the ground the horses, already frightened as the hapless driver struck their heads, sprang forward and a serious runaway seemed inevitable. The unfortunate driver retained his hold on the reins and exhibited rare presence of mind. Quickly recognizing that his position was a perilous one, he managed to move his body so that the wheels would not pass over it. Eye witnesses of the accident were thrilled by his dangerous position as they fully expected that the wagon would pass over him before the horses could be brought to a standstill. Such, however, did not happen, although he at first appeared to be seriously injured. He received several hard knocks in endeavoring to keep away from the wheels, and a nasty scalp wound may possibly have been caused by one of the wheels striking him. As soon as the horses were stopped he was assisted to McIntyre & Co's store and a physician at once summoned. A number of stitches were necessary to close the wound in his head. He was able to return home in the evening.

The Chronicle was unable to ascertain the name of the injured man but was informed that he is employed by Mr. John Worth, Jr., of North Dorchester.

## HYMENEAL

HURD-SMITH.

A quiet wedding was solemnized on Saturday night by Rev. S. K. Grigg, at his residence, Charles street west, the contracting parties being Mr. Wesley Hurd and Miss Annie Smith, all of Ingersoll.

## LITTLE LOCALS.

Mrs. Frank Fisher and George Time spent the holiday in Buffalo. Misses Edith and Luella Elliott, of Brantford, are visiting friends in town.

The town schools reopened this morning with about the usual attendance.

Mr. and Mrs. A. W. Taylor have returned after spending a few days in Toronto.

Mr. L. Gregory, of Owen Sound, spent Sunday and Monday at his home here.

Miss June Smith spent Sunday and Monday in Guelph the guest of her sister, Mrs. Geo. Batchelor.

Mr. and Mrs. Wilfrid Shore of New Rochelle, N. Y., are guests of Mr. and Mrs. H. J. Hollinrake.

Miss Edith Jones, of St. Thomas, was the guest of her parents, Mr. and Mrs. W. H. Jones, on Sunday and Monday.

Private sale of household furniture, Thursday and Friday, Sept. 7 and 8. Mrs. W. A. Leigh, corner of Hall and Concession streets.

Mr. Frank Myers and son Fred, of Buffalo, spent Sunday and Monday with the former's parents, Mr. and Mrs. Peter Myers, Wilmshurst street.

Mr. and Mrs. J. Med. Gibbs and family, and Mrs. W. A. Leigh and little daughter have returned after spending four weeks with relatives at different points on Manitoulin Island.

Miss Iva May Jacob has been spending the month of August in Detroit with her aunt, Mrs. Alvin P. Smith. She will return home the first of the week coming, aided by the Misses Revett of Salamanca, N. Y., who are also Mrs. Smith's guests.

An immense crowd was at the C. P. R. depot on Saturday night when the special train having on board the 23rd Regiment of St. Thomas arrived. The crowd was surprisingly large considering the fact that the train did not reach here until 11 o'clock or about two hours later than it was expected to arrive. The bugle and brass bands of the regiment blared and gave several selections—principally military airs—which greatly pleased those assembled. The regiment spent Sunday and yesterday at Port Burwell.

## FOR SALE.

J. S. Smith, who is leaving town, offers for sale his two-story solid brick residence on King street east. Modern improvements, in good repair, and built only 10 years. A fine location. Reasonable price and terms for quick sale.

## LABOR DAY HERE.

Many Citizens Spent the Holiday Out of Town.

No demonstration or other event of a special nature marked Labor Day in Ingersoll. The occasion was generally observed as a holiday. There was a great exodus of citizens to Toronto, where the exhibition was the attraction, and to other points of interest. A large contingent followed the baseball team to Woodstock and one hundred or more went on the excursion to Port Burwell. The curtain was dropped on the summer season yesterday and all who were able to do so evidently got as much pleasure as possible out of the holiday. The closing performance of the season took place in the evening at Fairmount Park at which the attendance was large.

**CURED OF LAME BACK AFTER 14 YEARS OF SUFFERING.**  
"I had been troubled with lame back for fifteen years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Bieher, Gilliam, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by all druggists.
