FORCED TO YIELD TO NATIONAL ASSEMBLY

Reforms Granted in China-President of Council Will Be Punished

Pekin, Oct. 27.—The throne yesterday addition to surrendering to Tsi theng Tiuan. China's national assembustody the president of the Szechuen provincial assembly and other leaders in the riots at Cheng Tu and, in fact, agreed to all that the assembly asked with lack of dignity inconceivable to Western observers.

A year ago the throne treated the national assembly almost with contumacy. Until even a month ago, the throne, defiant of the people, issued edicts embodying drastic measures Now, the resolution of the newly convened assembly, carrying consequence of irremediable character, has been granted without a day's consideration.

The edict repeats over the throne's seal the allegations and charges made illes would be placed at work and the it has no liabilities and still owns certain against the minister of posts and communcations and others made by a
heated, radical and controlled assembly.

It has no habilities and still owns certain other assets in the way of mining claims the ground that the judge had no

The members voted Mrs. Gordon Grant to the building comnittee, and it was decided that the ladies should see that the proper advancement was made immediately for more accommodations for the men. The members endorsed the work already done by the committee and re-

FEDERAL GRAND JURY MAY INVESTIGATE

Report From Indianapolis of New Inquiry Into Los Angeles Explosion

Los Angeles, Cal., Oct. 27.-Reports from Indianapolis yesterday that a special grand jury would investigate the so-called McNamara dynamiting cases supplied a theme for consideration by counsel for the defence of John J. and James B. McNamara and attracted attention in the office of District Attorney John D. Fredericks. Clarence S. Darrow, chief of counsel for the defence, telegraphed to Indianapolis for more information. A lull in ourt procedure yesterday while a new nire was being summoned, gave opcortunity for consideration of the situition. It was conceded that the whole general aspect of the case might be altered by prospective action of the federal authorities, and that James B. dians spread feathers over the bow and McNamara and John J. McNamara, stern of the yessel to smooth the wat under nineteen indictments for mur-

ment, which has its headquarters in this city, have laid plans for a big demonstration next Saturday, in which 10,000 revolutionary flags and pen
