TO THE TAKE THE TAKE SHOW

ATTORNEY-GENERAL'S TRIP WAS FRUITLESS

The Wellington Colliery Case Disposed of by Highest Court, in the Realm.

case of Attorney-General of British Co- destroyed. lumbia vs. Wellington Colliery Company, the appeal was dismissed.

In Renwick vs. Nelson & Fort Shep-1 ard Railway Company, leave to appeal was not rescinded but appellant pays In Burland vs. Earle the appeal was

allowed in part. The judgment allowing interest was varied by allowing interest from November, 1900, at the rate of five per cent. The appellant was given costs. The petition of the Dominion for leave to appeal the Lord's Day case was refused. It was urged to be a matter of great public interest in the Dominion that the provinces should know their respective jurisdictions. The court de-clined to hear R. MacPherson for the Dominion Lord's Day Alliance, support-

These first two cases were those upon These first two cases were those dipole which the Attorney-General spent so boiler had been cleaned only a short time before the explosion and filled with fresh water from shore. Only one boiler a thing well done you must do it yourself, Hon. Charles Wilson went to Longer spends of the ship shows that the hull has been important selections, but he could not commenced landing in the neighborhood. self, Hon. Charles Wilson went to Longer Hon. Charl to a solicitor in London would have accomplished the work just as well, but the Attorney-General did not see it in that way. Now, after all the expense evolved in getting it put on the appeal to stand the trip to Mare Island.

has been dismissed Since that time the Dominion government has disallowed the act upon which the case of the Attorney-General vs. Wellington Colliery Company was based, namely, the question of employing Chinamen underground in coal mines.

In the case of the Nelson & Fort Sheppard railway assessment appeal it is understood that negotiations are in progress between the government and the company looking to a mutual settlement of

This doubtless accounts for the appeal standing over at the present time.

TO EXTEND TRADE.

Steamer Fitted Up With Display From Factories Will Be Sent Around the World.

New York, July 26 .- Plans have been completed for an effort by an exporting company of this city to extend American commerce to foreign countries. A float- nam's Painless Corn Extractor. Fifty ing expedition will be equipped and sent years in use, certain and prompt. Use on a tour of the world.

The American floating exposition, as i will be called, will start from New York in January, 1906. It will carry a limited number of samples of various merchan-dise, of American manufacture, the ports, where stops will be made. Space will be allotted to exhibitors and salesmen on this ship. The trip will require competent interpreters of Ger man, French and Spanish.

RECKLESS SHOOTING.

Two Americans Charged With Careless ness in Discharging Firearms in Scotland.

London, July 26 .- The shooting case involving J. S. and H. C. Phipps, sons of Henry Phipps, of Pittsburg, was mentioned in the House of Commons this afternoon, J. Galloway Weir, represen ing Ross and Cromarty county, Scotland wanting the Lord Advocate for Scotland take steps to prevent the defendants from fleeing from justice.

The Lord Advocate, however, said he had every reason to believe that the Phinns would be ready to meet any charges brought against them. One of the young men, he understood, was now The two sons of Mr. Phipps were re

cently charged with the reckless dis charge of firearms on the Beaufort estate in the Highlands of Scotland, by which three persons were wounded.

CHARGE OF FORGERY AGAINST E. J. WEBER

VISITED FERNE Young Man Accused of Signing H. P. Mellish's Name to Bill of

> Two cases of more than ordinary interest came before Magistrate Hall in the police court this morning. Edward John Weber was charged with forging the name of H. P. Mellish to a bill of sale covering all the furniture of Mr. Mellish's house, 352 Douglas street, while the second was that of Roland Bell, who is accused of assaulting and threatening to kill his wife. On application of the accused the trial of Weber was remanded until Saturday, he having ekcted to be tried before the magistrate rether than wait for the assizes in order to go before a jury. Bell's case was disposed of, the latter being bound over to keep the peace to the extent of \$1,000 in two sureties of \$500 each. When this nnouncement was made the prisoner omplained that as he was a stranger here it was impossible for him to secure such bonds. He intended applying to a

Montreal, July 27.—At the annual games of the Montreal Police Amateur Athletic Association vesterday. ago was given a home by H. P. Mellish. f 352 Douglas street, who had lived alone until then. About 5 o'clock yesterday Mellish, who is employed at the factory of Lemon, Gonnason & Co. went home and found J. W. Goss, a furniture dealer, in possession. An explanation followed, Mr. Goss telling of a deal entered into by him with Weber, as a result of which all the furnishings of the house, including a handsome Mason & Risch piano, became his property.

The accused, from what has been gathered, called on Goss shortly after Mellish left in the morning and announced his desire to dispose of "his" furniture became clear Mellish hurried to the po-lice station and the detectives were soon on the track of their man. He was found on Government street with \$125 in his possession. The cheque had been cashed and Weber had found time to dis-

pose of \$100 before taken into custody. It is said that Weber was engaged to be married to a young lady and adopted this means of obtaining the funds neces-sary to hasten the nuptials. Among the purchases made with the missing \$100 was a portion of a bride's troussean and a wedding cake. Arrangements had been made for the ceremony to take the foday.

When Weber answered to his name this morning he was wered by
