Resolution of Condolence to the Friends of the Departed.

Your Committee on behalf of the Association tender our heartfelt sympathy to the bereaved families, and earnestly recommend them to Him who is able to succour and support all in the most extreme cases of grief and sorrow. As his comforting words are, "Come unto Me, all ye who labour and are heavy laden, and I will give thee rest," having the blessed satisfaction of knowing that death cannot enter that sphere to which the departed are removed, for they are wrapped tenderly in the bosom of Jesus.

REV. C. CARVERY, *Chairman of Committee.*
