Liver Complaints.

AND ALL SICKNESS AND DISEASES.

The Greatest Secret Discovered!

Parge—purge—purge—has been the cry for the last few years. This has been effectually tried and yet sufferes have militplied, and died! and why?

Not because parging was not necessary, but too much has been done—without the tonic to follow, and sustain the system. Parge, you must! The sickly humours of the blood must be carried off—or the accumulation of them prevented. Prevent, then, the growth of such humours.

Why do the Chinese live to such immerse ages, and still retain the powers of youth or middle age? Because they purify the blood. The Chinese Blood Pitts—so called because they work upon, and cleanse the Blood—are they standard remedy. These pills will do it; and the Temperance Bitters, taken as directed, will sterighen the system and prevent the accumulation of the base humours which infest the blood, and which only increase by parges, inhest the blood, and which only increase by parges, inhese the blood, and which only increase by parges, inhese the blood, and which only increase by parges, inhese the blood, and which only increase by parges, inhese the blood, and which only increase by parges, inhese the blood, and which only increase by parges, inhese the blood, and which only increase by parges, inhese the blood, and which only increase by parges, inhese the blood, and which only increase by parges, inhese pills and briters. Take weekly the pills, and daily the bitters, and if you are or have been invalids for days, weeks, months, or years you will find the sickly humours drawn off. and prevented from a return, and the sallow yellow hise of sickness change rapidy to the full blooming glow of health and trength shall be yours.
