C. Mc Coll Esq.
Indian Commissioner
of North West Territory.

Sir,

I must respectfully submit
this my application for the Survey,
Engineering and working of certain
ditches at present, which are con-
templated to be made within the
boundary of the Indian Reserve
No 1 of the St. Peters Band.

A meeting was held by the
chief & council of the aforesaid
Band on the 27th Instant, who no-
minated me to perform the above
work with your sanction. (the
same I would undertake at a
moderate charge.) I therefore request
your kind patronage in the above
matter.

I have been to the front in the 90th
Regt No 1 Comp. and got slightly wound-
ed in the face. I can refer you
to Capt Hugh J McDonald, my capt,
or any other requirement necessary
to obtain the same, I am ready to
receive instructions to commence the
above work at your pleasure.

I have the honor to be,

Sir,

St. Peters
