Aug. 17.—The garden party given last Wednesday evening by the ladies of St. John's Presbyterian church, on the grounds of Mr. A. E. Kilham, was a very great success, nearly 300 people being present.

The clerk of the weather had a lucid interval and even vouchsafed a little moonlight for the merry makers to walk home by. The cornet band discoursed music on the grounds, and the members of the choir sang sweetly in the drawing room, while Mr. and Mrs. Kilham did all that kind hearts and willing hands could do, to make the large party of guests feel thoroughly at home. The grounds were beautifully decorated with Chinese lanterns and flags, and presented a very festive appearance. I believe the receipts were nearly \$40, and go towards the organ fund.

The coming entertainment for which Mrs. Cooke is working will take the form of a gypsy camp, which is to be established "for three nights only" at Outing park, early next month, and which will include many other attractive features, besides the one from which it takes its name. There could scarcely be a more worthy object, and I am sure we will all work heart and hand to assist "the boys" in paying off the debt which has been such a heavy burden on their shoulders ever since the grounds were first taken over.
