MAN EVENTS POSTPONED

ON ACCOUNT OF WEATHER

Horse Races Will Take Place

Today—Duck Cove Fair

and Lancaster Lawn Party

Take Place This Evening.

Rain started to fall about two o'clock Saturday afternoon and continued until evening, causing many outlying events planned for the day to be postponed, accordingly a great many pleasure seekers were disappointed.

A 2-12 and a 2-14 race was to have been pulled off on the Moosepath Park track and a large number of people attended, but when the rain began to fall the crowd was obliged to return to the city and the races were postponed until today. Had the weather kept clear there would have been a record breaking attendance at the old track for the best of horse racing was expected.

Duck Cove Duckey Fair.

Everything was in readiness for the Duck Cove Duckey Fair on Saturday, and the summer colour at Duck Cove had arranged excellent plans to look after a large attendance. The large lawn on the Jack estate had been tastefully decorated and there were numerous events on the programme to keep the patrons of the fair busy.

Tea was to be served on the pavilion which was to be under the direction of Mrs. Andrew Jack and Mrs. Clarence Ferguson, assisted by young ladies of the circle.

Mrs. George Kimball and Mrs. John C. Dodd had supervision of a special supper for soldier guests and despite the wet weather and not to disappoint the soldiers, the boys in khaki were given a good time and an enjoyable repeat.

The fair is under the auspices of the Duck Cove Circle of the Red Cross Society and young ladies of the circle will preside at the different booths.

The fair was postponed until this evening, when with hand music and all the attractions in full swing, all that is wanted is fine weather.

Fair and Lawn Party.

The fair and lawn party to have been held on the grounds of the Duck Cove Club, Saturday afternoon, had to be postponed on account of the inclement weather but will take place this evening.

Electric lights have been strung through the trees and the grounds have been tastefully decorated by the members of the junior branch of the Lancaster Red Cross Society, under whose auspices the fair is being held. There will be the usual attractions, and a number of valuable prizes are offered for competition.

Social Picnic.

Another event that had to be postponed on Saturday was the picnic, baseball match and programme of sports, well as a fire works display, which was to have been held at Seaside Park. These events will probably be held on Saturday afternoon next.

ROTHESAY SCHOOL CADETS

SECOND FOR COMPETITION

New Glasgow Was First with

90 Medals—Rothsay Second with 45—Westmount

Scouts Were Third—Group

Photo of Rothsay Boys in

Marksmen's Review.

The first issue of the Dominion Marksmen's Review has appeared and is very interesting, especially to its many boys' rifle clubs through Canada. The Review is to be the official organ of the Dominion Marksmen's Association and will contain records of all clubs, as well as any items of interest that may be sent in.

The aim of the Dominion Marksmen's Association is to promote organized practice with the .22 rifle among all cadet boys and boys' clubs in Canada. The scheme was launched about one year ago and has been well supported, especially by the boys in the maritime provinces.

The association offers bronze, silver and gold medals for competition, and up to the present have given a total of 281 medals, 231 bronze, 70 silver and 17 gold.

The New Glasgow High School Cadet Battalion came first in the Dominion with 90 medals; the Rothsay Collegiate School Cadet Corps were second with 45, and the Westmount Boy Scouts third with 30 medals won.

A group of photographs of some of the Rothsay medal winners appears on the front cover of the first issue of the Review.

The deceased was in the 70th year of his age and has been a life long resident in the Grand Bay district where he was a prominent farmer. He had been ailing for some time past but death was not expected when he took a sudden turn for the worse yesterday afternoon and expired.

The funeral arrangements will be made today.

Lance Corporal Boone.

That Lance Corporal George S. Boone, who was reported wounded and missing last September is now believed to be dead, was the information that his parents, Mr. and Mrs. W. M.

Boone, received from the War Office.

A letter of interest has been received by Mrs. John Downey of Torryburn, N. B., from her son, Lieut. J. T. Downey of the 42nd Battalion, in which he says that he has been awarded the Military Cross.

Lieut. Downey was wounded about two months ago, but has fully recovered and is spending a short leave at Folkestone, Eng.

Lieut. Downey modestly refrains from telling the circumstances for which the award of the coveted honor was made.

Was in Four Hospitals.

Mrs. Wm. E. Mills of West St. John has received a letter from her husband who is a lance corporal. He was wounded three months ago and writes his letter from a hospital, the fourth to which he has been transferred. He says he is being treated fine. He was wounded in the Vimy Ridge drive, the driving band of a shell having penetrated the socket of his knee.

Among the souvenirs he sent home was a large heavy silver ring taken from a dead German officer while on active service, and another, the piece of shell that had been taken out of his leg. Lance Corporal Mills had been under other about eight hours and when he came to, the piece of shell was tied to a button hole in his shirt for a keepsake.
