**FLOUR MARKET**  
Minneapolis, Minn., July 7.—The  
Northwestern Millers' weekly report  
of the flour market says the holiday,  
combined with slowness in receipts  
of new crop wheat to make the flour  
market even duller than it has been  
for the past month. Prices show a  
slight decline of 10 to 20 cents per  
barrel and soft winter patents are  
now about on a level with hard win-  
ters and less than \$1 per barrel below  
spring stocks are small enough so  
that a revival of demand is looked  
for within a few weeks. The flour  
outlook last week was generally light  
the spring wheat mills reporting an  
output representing 43 per cent of  
capacity, the Kansas-Oklahoma hard  
winter wheat mills 65 per cent, and  
the Ohio group of mills 35.
