

SOFT GINGERBREAD.—One and one-half cup molasses, one-half cup sugar, two eggs, butter size of an egg, a tea-cup of sour milk, ginger and cloves, soda to neutralize the acid of the milk, and flour to make rather a stiff batter.

OYSTER SOUP.—Pour over the oysters all their liquor, and stew until the edges begin to curl; then add rich milk slightly thickened with cracker dust, a generous lump of butter, pepper and salt. If liked, put some oyster crackers in the bottom of your soup tureen and pour over the soup. If liked highly seasoned, add another small bit of red pepper, which can be removed after cooking, as they are very strong.

A departure from ordinary methods has long been adopted by the makers of Dr. Pierce's Golden Medical Discovery. They know what it can do—and they guarantee it. Your money is promptly returned, if it fails to benefit or cure in all diseases arising from torpid liver or impure blood. No better terms could be asked for. No better remedy can be had. Nothing else that claims to be a blood-purifier is sold in this way—because nothing else is like the "G. M. D."

So positively certain is it in its curative effects as to warrant its makers in selling it, as they are doing, through druggists, on trial!

It's especially potent in curing Tetter, Salt-rheum, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Gaitre, or Thick Neck, and Enlarged Glands, Tumors and Swellings. Great Eating Ulcers rapidly heal under its benign influence. World's Dispensary Medical Association, 663 Main Street, Buffalo, N. Y.
