A Human Churn

WHEN the food reaches the stomach it is subjected to a peculiar churning movement by the muscular walls of the stomach. (See Dr. Pierce's Medical Adviser, page 45). In the liver, kidneys and skin, the blood is purified of its waste materials—these organs act as human filters, leaving the blood pure and clear—unless liver, digestive tract and kidneys are clogged.

Dr. Pierce's Golden Medical Discovery

is a stomach, liver and kidney tonic—by assisting the stomach to assimilate, the liver to filter, the kidneys to act—the poisons are removed, the red blood corpuscles are increased and one feels light, fresh and active instead of logy, dull and heavy. The "Discovery" stimulates the stomach, increases action of heart and arteries and is a most satisfactory alternative in blood-taint of any character. The refreshing influence of this extract of native medicinal plants has been favorably known for over forty years. Everywhere some neighbor can tell you of the good it has done.
