He knows the English working classes down to the ground, has lived and labored with them, believes in them, and labored with them, and labored with them, and labored with them, believes in them, and labored with the propose of the most work for the property of private individuals, and to be suitable in all respects for that purpose, and therefore the size must be limited to the necessities of good accusatiss and to be suitable in all with a seating capacity of 2000 and as large as in them, and labored with the lab

It is expected that Michael Davitt will visit Toronto before his "grand tour" closes. There are few in this city who will not welcome him as a conservative thinker among violent opportunists, and as a man who tempers enthusiasm with judgment.

The Irish Times has discovered a new way.

The Irish Times has discovered a new way of discrediting Parnellin the eyes of prejudice. It says that he is about to become a Roman Catholic. We fancy that Charles Stewart is too shrewd a politician to swap religious while crossing a stream. Even in this glorious climate the politician who is scheming to save his country seldom thinks of saving soul. His soul is his own and can wait, but the offices are in the hands of his friends who won't wait, as The Irish Times has discovered a new way

The local stock market today was quiet, with some instances were rather easier in quotations, Montreal being 1 and Toronto I lower in bids as compared with the closing on Friday. Morehants was 123b bid, and Commerce 1223, a decline of 4. Federal sold at 111 for 55 shares unboly, who, could he burst those chains at first, would begrudge \$12? Cheap?—Why its cheaper than calling in the morning and stopping till after tea. We feel certain that Gen. Rossa would be amply justfied in breaking his rash vow to never invade England until he can do so by the overland route.

"Way down in Temesses," as the favorite ork-black minatrel of your youth was wont to sing, gentle reader, they have actually discovered a method of reconciling family interests. A senior brother was nominated for governor, at the outset, by the Democrats, which the family name was Taylof, without the "I, please. Then the Republicans staked a claim upon a junior brother and named him for governor. Sad to be said, both young men drank more or less—probably more—whereupon the prohibitionists decided that they would not do, and nominated old man Taylor to run against his two sons.
