CULTS ?

Friendship or Manipulation ?

The University Complaint Centre has received several complaints about groups on campus, using aggressive and deceptive recruitment practices. If you are approached by strangers who seem too friendly to be true and they want to exchange phone numbers with you, **be careful**. Perhaps they want to befriend you, but they may want to enlist you in their group. Make sure you know their intentions and who they are before you give them your number.

**BEFORE YOU JOIN ANY GROUP
DO SOME INVESTIGATING.**

**THE OFFICE OF STUDENT AFFAIRS MAINTAINS
UP-TO-DATE LISTS OF RECOGNIZED CLUBS
