

With this consideration I would not have  
further troubled your Excellency on the  
subject, excepting to shew, that the witness  
who had betrayed the confidence of the  
murderers, and the other who had es=  
caped assassination were both ineffec=  
tually brought forward.

With the greatest respect  
I have the honor to be  
Your Excellency's

Most Obedient  
Humble Servant

John Norton
