Hon. W. L. Mackenzie King.

(2)

Oct. 21/21.

think it would be exceedingly helpful, if you would, at the earliest date possible, send a personal letter to each person whose name is on this list, expressing your regret at your inability to be present in North York throughout the present campaign, and making a personal appeal to each individual to do their utmost on your behalf. This is extremely important.

I have just received your telegram with reference to Murdoch coming to Aurora, and have wired you suggesting that Mrs. MacDougald go with you to Stouffville. As soon as I have received your reply to my message, I will get in touch with Mrs. MacDougald by telephone, when I am sure we will be able to make satisfactory arrangements. I remain,

Yours respectfully,
