

a harmony unity & complete
 ness to the whole, & knew
 that it was present always
 in your words & needed not
 words to bring it prominently
 before you. I need hardly
~~take you~~ turn over with
 you the pages of history, marking
 as they do at the head of every
 movement leaders, whether
 religious, social, political
 or otherwise leaders of fame &
 ability, or look with you
 at the ~~base~~ book of nature
 exhibiting on every side
 the central life, & its
 branches, the river with
 its affluents, the vine with
