

Today, despite the magnificence of Canada's war effort, the impression is being fostered among other nations that because of a restriction on the powers of the government, Canada's effort is not an all-out effort. This impression is quite unfounded. Nevertheless, it is working a grave injustice to our country as a whole, and to every man and woman who is making any contribution towards the winning of the war. I want that injustice to end. And so I ask you, my fellow-countrymen -- everyone of you -- to help give to our country complete freedom and strength for an utmost effort both in its own eyes, and in the eyes of the world. You can do this by voting YES on Monday next.
