Where Belleville Is

Belleville is 112 miles East of Toronto, 221 miles West of Montreal, almost due North of Rochester, N.Y. It is connected with Rochester by direct steamer service. The air-line distance between the two cities is 65-70 miles and the steamer trip takes from 7 to 8 hours. It is on the direct water route from Toronto to Montreal and a port of call for all lake boats. For full details and map of Belleville's rail and steamship connections see pages 12 and 14.
