

Concrete Poultry Houses

are the most economical of all poultry houses. They are easily cleaned, sanitary, and have no cracks to harbor vermin. They keep your hens warm, comfortable and healthy, which induces them to lay more eggs in cold weather. Build your new poultry house of concrete; feed your hens green food and you will find that this procedure will

Increase Poultry Profits

The first cost of a concrete poultry house is the only cost, for they are everlasting and never need repairs. They are proof against rats, mice and vermin.

Send for this free book, "What the Farmer can do with Concrete." It shows modern concrete poultry houses and tells how to build them and how to build every other farm building in a way that will save money.
