MAKERS OF THE  
FAMOUS ELEPHANT BRAND WHITE LEAD

**What, When and How to Paint**

**This Free Book**

contains 40 pages of practical instructions for improving and beautifying your home, both inside and out. It tells you what paint is, how to choose it and apply it so it will not crack or peel. It shows you how to prepare surfaces and the best time to paint so as to get best results. It teaches you how to secure beautiful and harmonious effects economically.

It tells you how to make your home suggest refinement, repose and individuality.

It contains artistic color schemes showing how walls, ceilings and floors should be treated so as to be in harmony with the other decorations and furnishings.

If you are going to paint or decorate your home, send for your copy of free book today.

**The Canada Paint Co., Limited**  
570 William Street, Montreal.  
"Sun Garnish" brightens everything it touches.

WARNING!

**NEPONSET Paroid ROOFING**

ITS popularity all over Canada has made "Paroid" a household word. Do not accept inferior grades of roofing as "the same thing as Paroid"—

**There is only ONE PAROID —this is the Roll**

**The Genuine Bears This Label**

The surface is GREY. We also make it with an extra wearing surface of crushed slate, RED and GREEN—all permanent colors.

When you use the genuine Paroid, you can forget about your roof for many, many years. Paroid roofs in service now for over 19 years are still giving excellent satisfaction.

**Look for "Paroid" on every roll you buy**  
Hardware and lumber dealers who sell Neponset products will give you good satisfaction.

**BIRD & SON** Dept. B HAMILTON, ONT.

**Better Trees—More Fruit**

Get the most out of your orchard—make your trees earn a better profit. Plant your trees with C. X. L. Stumping Powder—they will grow faster, crop earlier and be healthier. Spade-planted trees have soil-bound roots.

**C.X.L. Stumping Powder**

breaks up the sub-soil and lets the tender roots get all the nourishment there is in the ground.

Use C. X. L. for ditching, sub-soiling and grading. C. X. L. Stumping Powder will make your farm give you a bigger income—and it's safe as gun powder.

There is big money in agricultural blasting—Write for proposition. Send for our free booklet "Farming with Dynamite".
