

BONE FERTILIZERS!

Lasting in Their Results,

Quick in Their Action.

TRADE MARK.
Dominion Fertilizer and Casing Works, Hamilton, Ont.

Gentlemen,—I have used your fertilizer on different crops and am more than satisfied with the results. The peach trees where I used it have grown almost as much again as those I did not use it on, the fruit was much larger and a heavier crop. I used one teaspoonful to a hill of corn and had a most abundant crop; nearly double to that on which it was not used. There was a marked difference in the potatoes, those on which I used the fertilizer being much earlier, cleaner and larger in size. I think it is the best I have ever used, and intend giving you a larger order for this year.
