SALES OF NOTABLE SHORTHORNS AND SHEEP.
Capt. T. E. Robson, Ilderton, Ont., reports the following recent sales from his choice herd of Shorthorns:—To Frank Brown, farm manager, for Mr. C. E. Ladd, North Yam Hill, Oregon, the roan 3-year-old heifer, Jubilee Queen, winner of first prize at the Toronto, London and Ottawa exhibitions in 1899 as a 2-year-old, and first prize and sweepstakes at the Winnipeg Industrial exhibition; also the roan 2-year-old heifer, Lovely Lorne 2nd, winner of first prize as a heifer calf in 1896 and as a yearling in 1899 at Toronto, London and Ottawa, and one of the first-prize herd at each above named shows. The last-named heifer had at foot when shipped to Oregon a very promising roan bull calf sired by Commander (a son of the champion bull Money-fuffel Lad), sold by Capt. Robson to Mr. Ladd last spring, and which headed the Yam Hill herd in numerous victories at many shows in the West last fall, in company with the fine white cow, Mysie's Rose, twice a championship winner at Toronto in the Ilderton herd, and sold to Mr. Ladd about a year ago. With the recent shipment went 40 Shropshire and Southdown rams, selected by Capt. Robson the former from the flock of Richard Gibson, Delaware, and the latter from that of W. E. Wright, Glanworth. Another important sale made by Capt. Robson about the first of the present year was the transfer to Mr. W. D. Flatt, of Hamilton, of the beautiful red heifer, Queen of the Louans, just turned a year old, winner of first prize all around the circuit of the leading fairs in Ontario last fall as under a year old. This heifer is one of the most perfect that has ever been brought out in Canada, and it may be taken for granted that it required a long price to induce her late owner to part with her.

Yet another important sale made by Capt. Robson recently was that of eight head of high-class Shorthorns to George Harding & Son, of Waukesha, Wis., including such excellently-bred and i SALES OF NOTABLE SHORTHORNS AND SHEEP

G. & W. GIER'S SHORTHORNS.

The new advertisement of Shorthorn cattle by Messrs. G. & W. Gier, Grand Valley, Ont., deserves more than a passing notice even at such important times as the present in Shorthorn circles, and is especially of interest to those requiring foundation stock or young sires to head pure-bred herds. As an analysis of the breeding of their cattle will show, Messrs. Gier laid the foundation of a herd of deepmilking Shorthorns by the purchase of the grand cow, Laura Languish, by (imp.) Sweetmeat, a cow possessing much size, style and quality, and a true representative of the worthy family from which has been built up a herd such as only can be developed through good judgment, patience and perseverance, combined with proper material. The Messrs. Gier have followed patiently and consistently their ideal, selecting only lusty, thick-fleshed bulls from families of high repute. During a recent visit to the farm, near the village of Grand Valley, we were shown a dozen fine fleshy cows in the pink of breeding condition and vigorous health, carrying in their veins the blood of such sires as Lowland Chief, a son of the noted and worthy (imp.) Indian Chief, and out of Eda (one of Lord Polwarth's Gwynnes), the dam of the grand sweepstakes bull calf at the World's Fair, Chicago. The next generation to follow owe a large share of their substance and quality to their sire, Goldfinder, by Barmpton Hero, and out of the Crimson Flower cow, Minnie of Lynden 2nd. Then came Lord Stanley its seen, as he bears the true Shorthorn characterists which have made his family famous in Britain and Canada. And now comes the royally-bred Royal Ensign, by (imp.) Royal Sailor, and out of Matchless 16th. He was the second-prize winner in the great ring of bull calves at the Toronto Industrial Exhibition, 1899, and of him we need not say more than that it takes a good one to fill such a place, and a review of Toronto show-ring records will easily classify him where he belongs—where the descendants of Royal Sailor and Matchless G. & W.
