SUSSEX CATTLE

The breed for hardiness and early maturity. The highest average daily gain, alive, 2 lbs. 8.34 ozs., and also the highest percentage, 63.62, of carcass to live weight of any animal, for its age, at Smithfield Show, was given by Mr. Gerald Ward's first-prize Sussex steer at the age of 681 days. Leading honors won at all the principal shows. Selections always on sale. Apply

THE RIBY HERD and FLOCK

OF SHORTHORN CATTLE AND LINCOLN LONG-WOOL SHEEP

HENRY DUDDING.

Riby Grove, Great Grimsby, Lincolnshire

To get Champions by the produce of Champions. These can always be secured from the Riby Grove Herd and Flock, the largest in England, comprising the choicest lines of blood extant. Their is a world-wide reputation, and suffice to say that at no period of its history, dating back 150 years, were they stronger in merit or quality. 86 awards were won in 1901, and equally good results secured in 1902, culminating in those great victories at Smithfield Show, where its pen of wethers won the 100-guineas Challenge Cup for the best pen of sheep of any age or breed; and at Chicago Live Stock Show, in December last, where a ram from this flock won the \$400 prize offered for the heaviest sheep in the world. **CABLE—Dudding Keelby, England**

HAMPSHIRE DOWN

SHEEP.

"RESERVE" FOR CHAMPION IN THE SHORT-WOOL CLASSES, SMITHFIELD, LONDON, 1901.

Splendid Mutton, Good Wool, Great Weight.

This highly valuable **ENGLISH BREED OF SHEEP** is unrivalled in its wonderfully early maturity and hardiness of constitution, adapted to all climates, whilst in the quality of mutton and large proportion of lean meat it is unsurpassed; and for crossing purposes with any other breed, unequalled. GOSSIP.

Signing a document without reading it often makes a man wish he had read it without signing.

In Falkirk churchyard is an ancient tombstone with rough figures of Adam and Eve carved thereon. Underneath is the inscription: "Solomon, in all his glory, was not arrayed like one of these."

"Oconomowoc! Oconomowoc!" yelled a brakeman as the train stopped at a town on the Chicago & Milwaukee Railroad. "Begorra, O'Connor won't walk!" exclaimed a son of Erin who was in the car. "I have me ticket to Milwaukee, and I'll ride till we get there."

"Archdeacon Farrar tells about a boy who took a flower with him to his work every morning. He put the flower on his desk in the schoolroom, and when asked why he did this, he replied that the flower was to remind him of God and keep him from evil thoughts. So should every beautiful thing we see of God's handiwork serve to keep us true to Him."

A farmer who had engaged the services of a raw tenderfoot, sent him out one morning to harrow a piece of ground. He found the harrows upside-down, and not knowing anything was wrong, he proceeded to work them as he found them. He had not worked long before all the teeth came out of the harrows. Presently the farmer came into the field and asked him how he liked the job. "Oh," he replied, "it goes a bit smoother since the pegs have come out."

CANADIAN WINNERS AT CHICAGO.

In the classes in which exhibits were made by Canadian breeders at the late Chicago International Live Stock Show, they were remarkably successful in winning important prizes. In Clydesdale horses, they won the championship for the best stallion and the best mare, any age, and in various sections of the class, the first for three-year-old, two-year-old and yearling stallion, the first for aged mare, the second, third and fourth for yearling mares and the first for a group of four the get of one sire. In Hackneys, the first for aged stallion and for three-year-old stallion and the championship for best stallion any age were won by Canadians.

In the breeding cattle classes no Canadians exhibited, but the champion Shorthorn female, all ages competing, was bred in Canada. The first-prize cow of the same breed, who was the reserve number for the championship, was purchased by her owner in Canada. The first-prize junior yearling bull was sired by a Canadian-bred bull. The first-prize senior yearling heifer was bred in Canada, and the second-prize heifer, in same section, was from Canadian-bred sire and dam.

In the sheep, Canadian breeders showed strongly in a number of classes, and made a splendid record in prizewinning in every class in which they competed. In Shropshires (breeding class), they won second for aged ram and shearing ram, first and second for ram lamb, first and second for yearling ewes, second for ewe lambs, first for flock, first for four lambs the get of one sire and first for American-bred ewe lamb. In Southdowns, the first prize for yearling ram came to Canada. In Dorsets, the champion ram was bred and owned in Canada. In Cotswolds, the championship for the best ewe, any age, was bred and owned in this country, as was also the first-prize ewe lamb. In the class for Lincoln sheep, all the first prizes and championships went to Canadian exhibitors, and in the Leicester class the same record was made by Canadian breeders.

In the fat-sheep division, Canadian flocks made a brilliant showing, winning all the first prizes and championships in the Shropshire, Southdown, Dorset, Cotswold, Lincoln and Leicester classes. First for grade wether lamb of medium-wool type, and all the firsts and championships of long-wool type; also the grand championships for best wether lamb, any breed, grade or cross, and for the best five wether lambs, of any breed, grade or cross.

We hold the world's public sale record for

Yorkshires

At the leading shows of America, in 1901 and 1902, we won 90 PER CENT. of all first prizes.
