THIS IS THE 'PHONE FOR FARM FOLKS

In selecting a telephone for the farm line remember that repairs and tinkering cost money and waste time. Use the same judgment that you would in buying a reaper. The cheap telephone, like the cheap harvester, is out of service most of the time. Its talking qualities are not lasting; it soon gets weak, and is liable to cause you trouble all of the time.

Stromberg-Carlson Telephones
are the standard make for rural lines. Other manufacturers claim their instruments are as good—they like to compare theirs with Stromberg-Carlson—but TIME will not bear out their claims. To avoid trouble, expense and disappointment, pay the trifle more and get the telephone with a reputation. Buy the Stromberg-Carlson—you buy satisfaction. Free book, 110-D, "How the Telephone Helps the Farmer," tells a lot of reasons why it's the phone to buy; gives full description of every part and piece of a telephone; tells how it's made and illustrated where it's made.
