On a Friend's Return

O face that dims all dreams!
Time stops to give thee place!
Rars lily of life's stream,—
Still lives the olden grace:
Still, in thy mouth's bright gleams,
Still, in thine eyes I trace
Rach love as neither space
Nor time can e'er efface.

no follies to regret—no great sins to bemo follies to regret—no great sins to bewail. It is worth while being generous
with God, for to be generous with
Him is to do just what we should do.
Let us try for ourselves and see how
pleasant it is to serve Him as loving sons.

A Convert in Manitoba.

On Sunday las', in the Catholic Church at Rat Portage, the Rev. Father Beaudin received into the Church Mrs. William McKunon, one of the most prominent and intelligent ladies in that city. The life of this lady has been looked upon by her neighbors as a singularly exemplary one, so that her abjuration of Protestantism for the faith of Jesus Christ, as taught by His holy and apostolic Church, has been devoid of surprise. At the Baptism the sponsors were Mr. and Mrs. Angus McKinnon. The event created some etir in the peaceful 'city of the mines,' where the apostolic labors of the Rev. Father Beaudin are bringing forth such good results, so that the church was filled to its utmost during the ceremony.—Winnipeg Review.

In no other medicinal preparation have the results of the most intelligent study and scientific inquiry been so steady and progressively utilized as in Ayer's Sarsap-tilla. It leads the list as a truly scientific reparation for all blood diseases.

Mr. John Magwood, Victoria Road, wites: "Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure is a splendid medicine. My customers say they never used anything so effectual. Good results immediately follow its use. I know its value from personal experience, having been troubled for 9 or 10 years with Dyspepsia, and since using it digestion goes on without that depressing feeling so well known to dyspeptics. I have an hesitation in recommending it in any case of Indigestion, Constipation, Heartburn, or troubles arising from a disordered stomach," Sold by Harkness & Co., Druggists, Dundas street.

After Twenty-Three Years Suffering, Rev. Wm. Stout, of Wiarton, was cured

Rev. Wm. Stout, of Wiarton, was cured of scrofulous abscess that seventeen doctors could not cure. Burdock Blood litters was the only successful remedy. It cures all impurities of the blood. For NETTLE RASH, Summer Heat, Eruptions and general toilet purposes use Low's Sulphur Soap.

VIEWS OF A PROTESTANT BISHOP

Randolph S. Foster, the Protestant Bishop, pays the following tribute to the Catholic Church in the New York Independent: "It cannot be disputed that she descends in direct and unbroken line from the Apostolic time and Church

we, whom His hand has made—we, small atoms in His creation—exist that we may give glory to God. He has no need of us, yet made as for Himself. He loves us and seeks our love, who is personal love itself, simply because He is love. And He goes further: He will give us a share in His glory, a shrein His glory, a strain His own divine life if we are but faithful.

Everything must give God glory, for God made everything. Yet there is nothing created that can increase even ever so little His essential glory. That will be forever as it has been forever, unchanged and unchangeable, like God Himself. In truth it enters tato the very nature of the Godbead.

But there is a glory that comes not to give. There is a glory which we can increasely His is cylled the anything to what "The Christian who is faithful is daily glving God this sort of glvry. Every temptation overcome, every sin avoided, every act of sortow for sin committed, every Mass, every good Communion, every sincere confession, gives glory to God. A kind work.

Humility and patience, prayer and penance give glory to God. A kind work glory to God to give to the poor is to give glory to God, a keind work.

The saint, dear bretheren, teach us hy their lives how great glory we may give glory to God, a kind work.

are smazed. The medicine has made such progress in our neighborhood that people say they don't want the doctor any more, but they take the Syrup. Sufferers from gout who were confined to their bed and could hardly move a finger, have been cured by it. There is a girl in our district who caught a cold by going through some water, and was in bed five years with costiveness and rheumatic pains, and had to have an attendant to watch by her. There was not a doctor in the surrounding districts to whom her mother had not to have an attendant to watch by her. There was not a doctor in the surrounding districts to whom her mother had not applied to relieve her child, but every one crossed themselves and said they could not help her. Whenever the little bell rang which is rung in our place when somebody is dead, we thought surely it was for her, but Seigel's Syrup and Pills saved her life, and now she is as healthy as anybody, goes to church, and can work even in the fields. Everybody was astonished when they saw her out, knowing how many years she had been in bed. Today she adds her gratitude to mine for God's mercies and Seigle's Syrup."

Easily Cured. Mrs. Berkinshaw, 26 Pembroke St., Toronto, cured of a bad lameness of the knee joint, upon which the surgeons were about to operate. Other treatment had been tried in vain. Hagyard's Yellow Oil was the remedy used.

Orpha M. Hodge, Battle Creek, Mich., writes: I upset a tes kettle of boiling hot water on my hand. I at once applied Dr. Thomas' Eelectric Oil, and the effect was immediately to allay the pain. I was cured in three days.

A Midnight Alarm.

There is scarcely any fright more alarming to a mother than the ominous sound of croup—so liable at the hour of night. When Hagyard's Pectoral Balsam (for the throat and lurgs) is at hand, croup and distressing coughs lose half their terrors. It cures coughs, asthma and bronchitis.

The Catholic Clergy of Canada are respectfully invited to send for catalogard and prices before awarding contracts. We have lately put in a complete set of Fews in the Brantford Catholic Church, and for many years past have been favored with contracts from a number of the Clergy in other parts of Ontario, in all cases the most entire satisfaction having been expressed in regard to quality of work, lowness of price, and quickness of execution. Such has been the increase of business in this special line that we found it necessary some time since to establish a branch office in Glasgow, Scotland, and we are now engaged manufacturing Pews for new Churches in that country and Ireland.
