EXPORTS OF PURE BRED

The North British Agricultural (Scot-
 land) has the following paragraph, which
 will be interesting to cattle breeders. This
 shows British exports of pure bred cattle
 for the month of April.

"The number of pure bred cattle export-
 ed during the month of April was the
 largest since 1910, and the average of de-
 clared value the highest on record for
 April since 1895. The following is a com-
 parative table for the past three years:

Period.	Exported Value.	Average.
April, 1914 .. 219	\$17,980	\$77 19 9
April, 1915 .. 88	9,363	106 7 1
April, 1916 .. 357	43,938	123 1 6

The largest customer during the month
 was Argentina, to which country 253 head
 were sent at \$129 14s. each. In the same
 month of 1915, 52 head were dispatched to
 that country at \$132 13s. 10d., and in
 April, 1914, 61 head were sent at \$111
 9s. 6d. Uruguay last month secured 26
 head at \$115 15s. 6d. In April, 1915, 13
 head were sent to that country at \$80 each,
 and in the previous year, for the same
 month, 66 head went at \$96 4s. 3d. In
 April, 1915, Australia imported six head
 at \$133 6s. 8d.; last month seven head were
 sent there at \$61 8s. 6d. The remainder
 of last month's exports went to countries
 not separately enumerated. These totalled
 71, and realized an average of \$72 11s. 5d.
 The shipments made to these countries in
 April, 1915, numbered 17, at \$36 12s. 11d.,
 and in April, 1914, 92, at \$42 14s. 4d.

BIG HORSE SALE

On Wednesday, July 5, 1916, at 12
 o'clock, that is, the last day of the Calgary
 Exhibition, 500 head of horses will be sold
 by auction at the Alberta stockyards, Cal-
 gary. Four hundred head of these will be
 sold in carload lots. They comprise 175
 head of two-year-olds, 175 head of three-
 year-olds and 150 head of four-year-olds,
 seventy-five per cent. of each of these
 ages are mares. They are all by imported
 registered stallions—Clydes, shires, Per-
 cherons and Suffolk Punches. The dams
 weigh 1,200 to 1,500 pounds. All will be
 sold without reserve. The terms are cash
 and buyers from outside points must have
 bank references. A. Layzell, Calgary, is
 the auctioneer.

LACOMBE BULL SALE

The most successful bull sale on record
 was held in Lacombe on May 31, under
 the auspices of the Alberta Cattle Breeders'
 Association and the Dominion and Provin-
 cial Departments of Agriculture. One
 hundred and fourteen animals were sold,
 the average price being \$164.69 per head.
 Of the sales made 13 Herefords brought
 \$216.15 per head, 85 Shorthorns \$158.64
 per head, 16 Angus \$154.37 per head. The
 total price was \$18,775. Together with
 the sale in Calgary the total selling prices
 was over \$50,000.

The prize winners were as follows:—
 Herefords, Thomas Brand & son, Red Wil-
 low; reserve champion, S. H. Taylor, La-
 combe. Shorthorns, champion, B. A. Swit-
 zer, Lacombe; reserve champion, N. W.
 Robinson, Innisfail. Angus, champion, A.
 E. Noid, Oids; reserve, C. G. Abbott, La-
 combe.

STOCK JUDGING CONTEST

The students of the three Alberta Pro-
 vincial schools of Agriculture will each be
 represented by a team of three boys at
 Calgary fair, to take part in a stock judg-
 ing competition. A. E. Meyer, of Edmon-
 ton, is offering a cup for competition
 among the schools in the judging of the
 standard classes of livestock. The cup is
 kept if it is won two years in succession
 by same school. On account of the oppor-
 tunity afforded at the large fairs for ad-
 judging on large classes of superior
 stock, the contests will be carried out at
 the fairs, Calgary being chosen this year
 and probably Edmonton next year. The
 Calgary Exhibition Association is contrib-
 uting cash prizes in the same competition.

GREAT SHORTHORN SALE

On June 1 C. A. Saunders and sons, of
 Manilla, Iowa, sold forty-nine shorthorns
 at the grand average of \$1,058. This is
 the highest shorthorn average recorded
 since the famous New York Mills sale in
 the early seventies. Thirteen bulls aver-
 aged \$944 and thirty-six females \$1,094.
 The herd was largely made up of the great
 tribe of Cumberland and the buyers were
 drawn from all over the United States as
 well as from the Argentine. The highest
 priced animal of the sale, "Gipsy Cum-
 berland the Third" went to the Argentine at
 \$1,010. Eleven daughters of the famous
 "Cumberland's Type," consisting entirely
 of yearlings with one heifer calf and five
 bull calves brought \$18,250, an average of
 \$1,140. It was a sale that not only the
 owners but all shorthorn breeders may
 well feel proud of.

SALE AT EDGERTON

On Tuesday, July 4, a sale of 150 head
 of valuable farm stock and fat cattle will
 be held at Edgerton, Alta., commencing at
 9.30 a.m. The stock is the property of
 W. B. Munnick and the farm is located one
 mile east of Edgerton, Alta. The stock in-
 cludes imported Clydesdale stallions, mares,
 Canadian bred stallions and mares, pure-
 bred shorthorn cattle as well as a number
 of grade mares and high grade cattle.
 Catalogs can be obtained from either the
 auctioneer, H. F. Woody, Saskatoon, Sask.,
 or the owner.

"Hogs is Hogs"

"and pigs is pigs." It matters not what breed they are, pure bred hogs for breeding stock
 are in demand just now. And there's good enough reason. Look at hog prices! Packers
 have lately been offering ten cents per pound live weight for choice hogs fed and watered.
 Farmers who have hogs to market are turning them off at a handsome profit. Such prices
 on pork mean a boom in breeding stock. If you have breeding stock for sale get in now while
 the going is good.

Just watch the same columns on this page during the next few weeks. This column is growing
 because The Guide's classified advertisements bring results. The majority of those advertising
 now have found from experience that it pays to use The Guide. That's why the same breeders
 names appear on this page year after year.

Last week we published a letter relating the experience of Mr. Isaac, Alton, Sask., who
 advertised his Berkshires in The Guide. P. J. Jorgensen, Fairbairn, Sask., who has Poland
 China Hogs, writes us under recent date as follows: "I must say I am well satisfied with the
 results obtained. I think The Guide is the best farm paper I ever read. Wishing you every
 success."

The Guide's "Farmers' Market Place" is planned so as to co-operate with the readers in
 affording them an economical opening to wider markets. A glance at this page will show the
 many departments into which it is divided. This affords the prospective buyer a quick method
 of referring to the section in which he will find offerings in the line he intends to buy. Naturally
 he will look over all the advertisements in that particular section before making his choice.
 This means that every advertisement will be read by every prospective buyer. This is the
 strong advantage of this classified section.

Advertising rates are given at the top of this page. Send in your order now accompanied
 by the amount for the number of times you wish your ad. to run, and let The Guide demonstrate
 to you, as it has to hundreds of others, farmers, how it can sell.
