ed notes, \$1,963.95, leaving balance in bank of \$172.80. Report of the Fire and Gas Committee was read, as follows: "In reference to the purchase of a hose reel, the proposition submitted by P. McIlroy, manager Rubber Manufacturing Co., Toronto, to supply hose reel with crank and all necessary appliances for \$174, and offering to send it on approval, your Committee, after due consideration, have decided to recommend the Council to accept this offer and order one such reel on time; also in reference to the night watchman, it was decided to recommend the purchase of a watch-clock, and also that watchman be requested to do his work at night, and in reference to the Public Health Committee, it was moved, by B.E. Brook, seconded by R. Woods, that the report of the Fire and Gas Committee be adopted, and an order be sent for the hose reel and watch clock at once—carried. By-laws No. 88, to amend certain articles of the Town By-law for the words "Town of Listowel," was taken up. The Mayor entered and took his seat at the Council Board. The question of the legality of the Town By-laws was discussed at some length. Considerable difference of opinion was held by members of the Board as to the legality of said By-laws. A motion to lay over the third reading of By-laws No. 88 for one month was carried. Finance Committee reported the following accounts: J. Vandrick, night watchman, \$16.40; L. Bottom, quarter salary, \$21.00; W. Milne, lumber, \$140.80; F. W. Gear, balance witness fees, \$10.00; Mr. Taylor, baker, \$22.35; Mr. Tremain, \$20.00; account street sprinkling, \$20.00; and \$1.00 on account street sprinkling. Committee also recommended that a By-law be introduced for the purpose of establishing a rate on the dollar on the present assessment. On motion the report was adopted. The chairman of the Fire and Gas Committee was instructed to purchase a car load of coal for the town hall furnace. Mr. Selwood, of the Listowel Glove Factory, was heard before the Council in reference to the school building. Mr. Selwood proposed that the town give the firm a deed of a parcel of land on Victoria street east, 50 x 100 feet, on which they propose to erect a brick building, and that the town accept a bond in lieu of the deed. Mr. Selwood also made a second proposition to the Council, being that the town sell the firm the piece of ground at the top of the hill, upon which the school grounds. Moved by Jno. Riggs, seconded by Jacob Hepler, that a Committee composed of Messrs. W. G. Hay, Scott, Binning, McMillan and the Mayor, be appointed to confer with Messrs. Selwood and Pearson in reference to what they want, and report next meeting of the Council. Council adjourned to meet again on Friday evening, 6th inst.

MOLESWORTH. PLOUGHING MATCH.—The Molesworth ploughing club will hold their annual ploughing match on Friday, Oct. 27, at the farm of Mr. James Molesworth, 61, 1st. con. of Wallace (at Molesworth), open to the province.

LOGAN. LEO BROWN.—In a tussle at Borholm blacksmith shop, on Monday week, Mr. John H. Cooper had one of his legs broken near the ankle. Dr. Lehman was sent for, who reduced the fracture, and the man is now doing well.

PALMERSTON. Mr. Vanstone, jeweller, of Listowel, has opened a branch establishment in the Irving Hotel block. Dr. Standish has sold the good will and stock in trade of the Central Drug Store to Mr. G. H. Brown, who will carry on the business.

WALLACE. FARM SITES.—Mr. Adam Weichel has sold his farm on the 4th con. of Wallace, 100 acres, to Christian Schindler, of Elma, for \$4,650. VOTERS' LIST COURT.—The appeals against the Wallace Voters' List for 1882 will be heard before Judge Lizars on Tuesday next, 10th inst., at the town hall, Listowel. There are about twenty appeals.

DONEGAL. A match game of base-ball was played on Saturday, 30th ult., between the "Clippers" of the 12th con. and the "Clippers" of the 12th con. At the close of the game the score stood Clippers 35, Donegals 15. Mine host Gratia of the Milton was provided an excellent supper, to which ample justice was done. The Clippers feel rather "big" and will probably go to Chicago next week.—Com.

STRAFFORD. A STRAFTORD VICTIM OF THE "ASIA."—On the Tuesday before the loss of the Asia on the Georgian Bay, Mr. Adam Key, of Stratford, left here for Colling wood, there to take a boat for French river. Since then nothing has been heard of him, and it is surmised that he was one of the ill-fated passengers, who Miss Morrison and Finkis, the sole survivors of the wreck, say got out at Collingwood. Mr. Key was an old resident of Stratford, and was a carpenter by trade. In bidding good-bye to Times reporter on the city he left, he said he was going to work at French river, building a mill, and that he would be away all winter. Word has been received from there, and there is no doubt he is one of the many victims of the terrible catastrophe.—Times.

ROSTOCK. The latest home ball and open air band concert took place on Tuesday evening, 20th ult., and was a grand success in every sense of the term. The Stratford band, under the leadership of Mr. Brothagen, during the afternoon serenaded our leading citizens, all of whom gave tangible evidence of their appreciation. The hall subsequently took place in Mr. Wicke's hall, which for comfort and convenience, has few if any, superiors in connection with any country hotel in the county. The music was excellent, the boys jolly and attentive, the ladies pretty and agreeable, and under such circumstances it is needless to say that all went "merry as a marriage bell," while mine host Wicke and his kind lady did everything that could be done to render every happy all who chose to take part in the festivities.—Com.

FORDWICH. The annual harvest home and thanksgiving service in connection with Trinity Church, Fordwich, was held on Friday last. Service was held in the church at 2.30 p.m., by the Rev. Mr. Fisher, in the afternoon, and very instructive harvest sermon preached by the Rev. Mr. Masie, M. A., rector of St. George's, Harrison, at the close of which the Holy Communion was administered. The company then adjourned to the Orange Hall where a sumptuous spread was provided by the ladies, after which all adjourned to the hall, where a very interesting and interesting occasion, where speeches were made by the Rev. gentlemen, and several local speakers, interspersed with singing from the choir. SEBRINGVILLE. REVISOR THE LIST.—A Judge's Court was held here on Friday last, to fix up the Downie Voters' List, and, judging from the clique in attendance on the occasion, one would naturally conclude that it was pretty well "doctored." His Honor, Judge Lizars, took the matter very coolly, and appeared anxious and willing to do the square thing. A glass-eyed professional seemed particularly anxious to have the work thoroughly done; so anxious indeed, was he that the mission of one letter from the name would doubtless be willing to shorten his name, did not escape his keen eye. The Ontario Premier would do well to reward the gent who is rendering the party such valuable service before the "corrupt forces" drive him from office.
