S. R. WARREN,
MANUFACTURER OF ORGANS & PIANO-FORTES,
Corner of St. Joseph and St. Henry Streets,
MONTREAL,

WOULD respectfully call public attention to the large and complete assortment of Rosewood and Mahogany PIANO-FORTES, which he is now offering for Sale at his WAREROOMS; they consist of the Harmonic, Grand Square and Cottage Style, six, six and-a-half, and seven Octaves, with Metallic Frames.

These Instruments, being of his own manufacture, he has no hesitation in saying, that, in brilliancy and volume of tone, durability of workmanship, and excellence of finish, they are inferior to none imported into this Province.

From greatly increased facilities for manufacturing, he begs leave to state, that the above Instruments will be Sold at a great reduction from former prices; and that all orders for Pianos, Church, Parlour Reed Organs, Melophones and Harmoniums, of any size and capacity, will be executed with promptness, and warranted to give entire satisfaction. He has just finished a few beautiful and fine-toned Melodeons, in Rosewood and Mahogany cases, from four, four and-a-half, to five Octaves—to the inspection of which he would invite the Musical Connoisseurs of Montreal.

£100 REWARD.

WHEREAS some malicious person or persons have circulated a REPORT that SEVERAL HUNDRED CHESTS OF DAMAGED TEAS, *had in their possession*, and (from the great depth of salt water) pronounced unfit for use, were lately sold in the City, were purchased by me. I hereby offer a *REWARD of £100* to any person who will bring to conviction the author or authors of such false, scandalous, and malicious misstatements. Such, and similar reports injure my reputation.

It is well known that I and I alone have been the purchaser of the Tea and Coffee Warehouse, in the Basement of the Old Custom House) in the only establishment for the sale of Tea and Coffee in either the Upper or Lower Provinces, and, by my untiring exertions, has been placed in the proud position which it now holds, notwithstanding the unsparing efforts of my opponents to annihilate it and to currently report, as I have never exposed the Teas offered with others; that I have never exposed the damaged Teas, above referred to, which is now in my possession. I again repeat, no man shall sport with my hard-earned reputation with impunity.

CRAMP AND PAIN KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN
For the cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Stitches in the Back, Side or Stomach—Darting Pains, Bilious Cholic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly surprising cures in cases of the foregoing complaints. And we say no more than hundreds and thousands who have used it will assert, when we say there is no Medicine equal to it for the cure of complaints, possessing one designed for that cause of complaints, possessing more than a tythe of the power to relieve and cure of this.

We solicit particular attention to the fact that it does not contain a particle of *Opium* in any form. Neither does it contain *Camphor*.

It is free from any deleterious article, and cannot, in any supposable case, injure the patient.

It does not destroy the *Nervous Principle*, nor produce the baneful, drying, parching sensations, so much complained of in the use of other "Pain Killers."

It does not weaken the peristaltic motion of the bowels, producing *Costiveness*, and its attendant evils, but is a promoter of digestion, and a great and healthy action in the stomach and intestinal canal.

IN ALL RHEUMATIC AFFECTIONS,

Local Pains, &c., it has proved *surprisingly* successful, rarely failing to cure, even in the most desperate and long standing cases, (*See Certificate.*) In these cases, the liniment should be *freely* bathed, and then rubbed lightly, but briskly—not hard enough to hurt the patient, till an irritation is produced on the surface, and in severe cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH, OR BILIOUS CHOLIC,

We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA

Are speedily and easily *cured* by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA.

Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case, where it has been early and faithfully applied. In Bandgor, where it proved *significantly* fatal, it was found to yield to this remedy. And CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the first Physicians, and by the Press, as the first, the surest remedy to be used.

As a *Liniment* for *Cuts, Wounds, Bruises, &c.*, it is without a rival. As also in cases of *Burns, Scalds, Freezes, &c.*,—relieving the *pain* and *healing* without scar.

FOR TOOTHACHE

It is, nine times out of ten, a *CURE*. We believe it will *never fail*, unless the tooth is unsound. If the tooth is hollow, moisten a little lint and put it in the cavity. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in the world.

Please read the following statement from John Buckman, Esq., of DIXMONT, Me.:—

DIXMONT, July 11, 1848.

Messrs. Curtis & Perkins,—For two years past I have been entirely prostrated with the Rheumatism; both of my knees were swelled to twice their original size; a large bunch came out on my breast bone, spreading like a part of the bone thrown out. Another bunch was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years. I obtained the best medical attendance the country afforded, and tried a great number of medicines and prescriptions, without the least benefit or alleviation, when I had the good fortune to procure a bottle of Cramp and Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. Soon after taking it I found I could get some rest nights, and the pain by degrees came less violent. I have continued to take it and apply it externally, until I have used eight bottles. I took much larger quantities than was recommended.—The swelling has all gone down, both in my limbs and breast, and I am entirely relieved from pain. I have been able to do a good day's work at any time for the last three months, for a space of seventy in succession. By this statement you may see the very great amount of benefit I have received from this article. I believe it is the best article in the world for Rheumatism. I have also used it for cholic and pain in the stomach, and always found immediate relief.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

ROGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many in the country:

BOSTON, Feb. 15, 1847.

Mr. WM. ROGLE—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and clears the skin of all impurities, without possessing any obnoxious deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

ROGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the root, or "soap plant," of California, an article used by the natives of that country for washing; and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effect on the skin,—it soothes and allays irritation, and leaves a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for the drawing room or the trunk, and ready at travelling, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner F. Barrett, Scruggs Street, East Boston.

EAST BOSTON, Feb. 8, 1847.

Mr. William Rogle.—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference. After repeated trials of the most celebrated remedies, and by the advice of friends, she was induced to use your Hyperion as a wash, for the purpose of restoring her lost locks, and I am happy to say that its effect has been to cause the hair to grow all over the part affected. She has used only two bottles of your very *valuable* preparation, and if it is other and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

ROGLE'S HEBEAIONA,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION.

Eradicating Tans, Pimples, and all other eruptions of the skin, and rendering it fair, healthy, and blooming. It is also unrivalled in preserving the skin from the hot sun of summer, and freezing blasts of winter, and is the most fragrant and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the severest investigation, and are WARRANTED superior to anything yet invented.

JOY TO THE BED-RIDDEN.
A VALUABLE DISCOVERY FOR
THE INSTANT CURE OF PAIN.

RADWAY'S READY RELIEF
Cures the worst diseases in Minutes and Hours, and stops the most cruel pangs of pain in Seconds.

SO quick and efficient is RADWAY'S READY RELIEF, in stopping pain and curing disease, that it has frequently raised the patient from the bed of sickness in a few hours. It has frequently cured the worst pains of—

Rheumatism	In four hours,
Neuralgia	In ten minutes,
Tic Douloureux	In three seconds,
Toothache	In fifteen minutes,
Nervous Headache	In five minutes,
Sour Stomach	In five minutes,
Heart-Burn	In thirty-five minutes,
Bowel Complaints	In twenty-five minutes,
Cramps and Spasms	In one hour,
Diarrhœa	In thirty minutes,
Inflammation of the Bowels	In ten minutes,
Local Inflammations	In twelve hours,
Influenza	In ten hours,
Hoarseness	In ten minutes,

Spinal Complaints, Swellings, Bruises, Sores, Wounds, &c., it will remove ten times quicker than any other remedy in use.

LET THOSE WHO SUFFER TRY IT!

It will prove itself in a few minutes. As soon as it is taken internally, or applied externally, its beneficial effects are seen. It is better than all other remedies.

HERE IS THE PROOF.

There is no other remedy that claims to subdue the cruel pangs of pain in seconds, minutes, or even hours. They require the patient to use them after days before a favorable change is promised. Not so with Radway's Ready Relief; its effects are instantaneous; the first dose that is taken; or the first external application commences its great work of relief from pain.

BEAR IN MIND,

That Radway's Ready Relief will cure either of the above-mentioned Diseases in one-tenth the time it takes any other Remedy to give even Partial Relief.

TAKING COLD.

This sentence is constantly in the mouth of every person, in order to explain certain complaints. Those who use it often, we think, have but a faint idea of its precise meaning. We will offer an explanation, which we believe to be the opinion of a majority of the most learned lives to be the opinion of a majority of the most learned physicians. A person, for instance, has been over exerting any particular set of muscles—of the throat, from violent speaking—of the loins, by too much stooping or bending, or these or any other part of the body; these parts or muscles are, consequently, weakened and relaxed, and become a fair prey for any disease. The person who has been thus acting, accidentally or otherwise, exposes himself to the cold air, the perspiration immediately ceases, and the pores of the skin, which are just now circulating freely throughout the surface of the body, is repelled inward, and is sure to settle in those parts which have been previously wearied and relaxed. Here, also, we have an accumulation of blood, or congestion, which gives rise to all the pain and disease attendant upon such complaint.

When this takes place in the throat, we have what is called Sore Throat; when in the loins, Lumbago or Stiff Back; when in the chest, Pleurisy.

We also have it in the shoulder-joints, which is called

RADWAY'S READY RELIEF,

Taken Internally and applied Externally.

Its first action, when freely applied, is to blunt the acute sensibilities of the nerves, and almost instantly relieves the pain; its secondary action is to excite perspiration, and redden the parts over which it is applied, and thereby determining the blood from the injured glow, thereby determining the blood from the injured parts to the surface. In those cases, the READY RELIEF should be applied freely, at the same time rubbing the parts with a piece of flannel, and it will be found in every case to give immediate and permanent relief.

N.B.—If convenient, a piece of flannel saturated with READY RELIEF, and tied or pinned around the parts, does good service.

A BAD COUGH CURED IN TEN MINUTES.

Mr. Rigdon, of Brooklyn, the celebrated Church Singer and Organ-Player, on the night of the 15th of December was attacked with a severe fit of coughing—so that he coughed from 9 o'clock until 12 o'clock, P. M., without three minutes intermission. One of the Clerks of Radway & Co., who sleeps in the next room, got up and gave him a tea-spoonful of the Relief internally, and bathed him a tea-spoonful of the Relief internally, and bathed him a tea-spoonful of the Relief internally, and bathed his throat, neck, and chest; he also saturated a piece of flannel with the Relief, and laid it over his chest. In a few seconds the coughing ceased, he could expectorate freely, and raised with perfect ease a great quantity of phlegm. The Relief instantly soothed the irritation of the throat, and removed the inflammation from the lungs, and gave free action to them, produced a free and copious perspiration of the throat and chest; and in ten minutes he was entirely free from pain, and was sound and pleasant sleep. In the morning he was free from hoarseness and cough, and has not been troubled since. Let every individual who is troubled with a cough, sore throat, influenza, or hoarseness, pursue the same plan, and we will warrant them a speedy cure.

LAMENESS.

If you have a stiff joint, a wrenched limb, a swelled leg, a bruise, or any thing short of a broken bone, Radway's Ready Relief will cure you. The lame, the crippled, restored to the free use of their limbs by a few applications of the Relief. The cripple, who has limped from spot to spot upon his crutch, has been relieved of his painful afflictions, and enabled to stand erect, so God designed that Man should stand, by a few times using the Relief.

THE RHEUMATIC,

Who has been bed-ridden for years, shut out from the busy world, and lingered with pain upon a couch of sickness, deprived of the society of friends, and of the pleasures of life, has been raised *from a lingering death* to the joys of health, and pain-relieving influences of Radway's Ready Relief. In all cases of Rheumatism—even the worst cases—one trial of Radway's Ready Relief will prove its superiority over all other remedies in use.

BLEEDING AND BLEEDING PILES.

Are instantly cured, taking the Ready Relief internally—a tea-spoonful of the Relief in a table-spoonful of Molasses, and make a Cream of the Relief, by adding to it Sweet Oil, and anoint the parts affected. The parts are very hot, take the Relief, (diluted,) dip it in warm water, then anoint it with the Relief, and lay it on the sores, you will have immediate relief and a speedy cure.

AGE VERSUS YOUTH.

Radway's Ready Relief renews the vigor of youth in old age. The old and infirm is invigorated by its strengthening and exhilerating effects; it arouses the vital energies to life—the heavy and languid motion of the functions of the body is quickened to a healthy action—and the hitherto dull and morbid old man becomes active and vigorous in old age, and his life prolonged to the full number of his days.

FOR ALL PAINS,

Whether internal or external, take Radway's Relief, or apply it externally, it will relieve pain and cure disease quicker than any remedy in use.

RHEUMATISM CURED IN TWO HOURS.

Mr. Jones, of Clifton, Va., writes:—A lady in this place has been confined to her room for four months with Rheumatism; she purchased a bottle of Radway's Ready Relief—in two hours she was able to leave the room, and in the evening she walked out.

PLANTAGENET WATER.—We have been requested to publish the following:—

Montreal, March 29, 1850.

Mr. Charles Lacoque having submitted to me an analysis of the *Water of Plantagenet Springs*, made by T. S. Hunt, Esq., and requested my opinion thereon; I have to state that the proportion and combination of ingredients most admirably adapt them for use in gout, gravel, dyspepsia, and other chronic diseases, as appears from said analysis; and to all forms of scrofula, except consumption.

In regard to its use in cholera, of which he has been informed such respectable testimony is given, it is to be remembered, that the treatment of cholera is rising into high favour in Europe, numerical investigations seeming to prove its superiority. Should such be the case, we have an excellent commission from the head of Nature in the Plantagenet Waters.

RIVIERE DES PRAIRIES, March 1, 1850.

SIR,—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I most inform you, that I have used them medicinally at their Source, and have found them highly salubrious. I was at the time so afflicted by the consequences of a severe disease of the Digestive Organs, that my Physician judged it right to counsel for a time all active remedies, even for the repression of Dyspepsia and an obstinate Retention of the Bowels, under both of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and when drank in large doses they are strongly laxative, but their purgative properties are unattended with gripings,—those even who have been using them have not been weakened or enervated in their constitution in consequence; upon the contrary, by using them they find their appetite increased, and their digestion rendered more regular. After a dose of 2 or 4 four glasses, I found that they had the effect of increasing the urinary secretions at first, and that these decreased in the same proportion that the alvine secretions increased. The secretions of the cerebral and sanguinary systems were thereby moderately augmented, and, instead of finding myself morose and sad as I had been during some days before then, I perceived myself involuntarily disposed to pleasure and gaiety. Many who, in the same circumstances, made use of the Waters by the recommendation of Dr. Cazeneuve, experienced the same effects. To conclude, I am of opinion, in conformity with the Analysis made by T. S. Hunt, Esq., that Physicians might employ it successfully in the cure of the disease for which the Plantagenet Waters are so judiciously recommended.

Yours, respectfully,
AMABLE SIMARD, M. D.

ST. JOSEPH'S CONVENT, May 14, 1850.

SIR,—I observe with pleasure that the Mineral Waters, at their source at Point du Jour, Parish of the Assomption, (L'Assomption,) are acquiring the celebrity they deserve, for the use of the above Waters. I have published for myself, who am, perhaps, one of the first who published o them in the newspapers in the year 1836, I can testify, from the benefit I have had occasion to try various Mineral Waters, nevertheless I have never doubted that the preference must be given to those of Point du Jour—having myself had much experience.

Agents for Montreal:—Dr. Picault, 36, Notre Dame Street, corner of Bonsecours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. LaLiberte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Serafino Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person. Price, 7½d. per gallon, and 2s. the dozen, (in bottles.) Sick persons, unable to pay for it, can have some *gratis*, by producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the alleviation and cure of many protracted and dangerous diseases.
