Splendid Pure-White Lawns and Muslins By the Pound.

COME in and examine the excellent qualities of these fabrics—here you can get that extra-fine, washable, sheer White Lawn, that looks so much like the high-class, high-priced Organ-die.

It will agreeably surprise you, when you see the large number of yards that goes to the pound—it is the ideal fabric for making Children's Party and Summer Dresses, Women's Blouses, Tea-Aprons and many other articles of wearing apparel.

Then we have that mercerized pure-white Check Muslin, from the almost invisible—check to the quarter-inch check, that is admirably adapted for Women's and Children's wear.

Prices are low for the qualities. Come in today and see how much you'll get for twenty-five or thirty cents.

We also have a pure white fine scrimm by the pound, especially suitable for sash-curtains. Come early and get your share of these good values.
