### TO SMOKE OR NOT TO SMOKE?

THAT is the question which has been causing deep thought and raising piles of reports and correspondence among Canadian Pacific officials who have to do with the operation of observation cars on Trans-Continental trains during the last few months. At various times previous to the war, smoking in these cars was permitted, sometimes only for cigars and cigarettes and then again even for the odorous pipe itself. During the war smoking was a luxury which many were willing to forego, and the observation cars were free from tobacco, but after the war the demand for permission to smoke in these favored precincts increased to a noticeable degree, the requests coming not only from men but from ladies, as the cigarette habit has undoubtedly grown among the fair sex. The pressure of this public opinion became so pronounced that it was decided to experiment once more and to allow smoking in this part of the train, although it was admitted that the trains carrying such cars had also sleeping cars each with its smoking compartment. Public opinion, however, is a fickle thing, and the demand has grown to exclude the human volcanoes from these cars. Some of those who originally urged the granting of the permission are now requesting its withdrawal, evidently finding that the practise is not quite so delightful as the theory of perfect freedom. In its desire to give the greatest satisfaction to as many as possible, the Canadian Pacific has therefore decided to conclude the experiment for the time being and, commencing April 15th, to request the smokers to enjoy the society of Lady Nicotine in the smoking compartments and smoking cars expressly provided for the purpose.

## George Sheppard Killed on Highway

George Sheppard, 19 year old son of Mr. and Mrs. Henry Sheppard of Clappison Corners, was instantly killed last Friday night while walking on the Highway about a quarter of a mile west of Waterdown. Although there were no eye witnesses to the accident, it is thought that he was struck by a passing motorist whose identity is unknown.

A Toronto motorist saw the boy lying on the pavement, and thinking the boy unconscious, rushed to the village for Dr. Gillrie, but a hurried examination by the doctor revealed that the youth had been dead for some time.

According to the parents the young man had started from home intending to go to Waterdown, where he was well known and popular, and the news of his sudden death came as a shock to his relatives and many friends.

This is the third tragic death to occur in the Sheppard family, an uncle, Norman Sheppard, having been killed by a fall in a mining shaft at Hagersville a short time ago, and another uncle having met death by accident while quite young.

The funeral took place Saturday afternoon from his parent's home to Greenwood Cemetery, Burlington, and was one of the largest ever witnessed in this vicinity. The Services were conducted by the Baptist Minister of Flamboro Centre, assisted by Rev. R. McGillivray of Burlington. The pall-bearers were R. Forth, W. R. Garnham, Stanley Hood, R. Sheppard, Chas. Sheppard and Carl Sheppard. The floral tributes were numerous and beautiful.

## High School Literary Society Masquerade

The Waterdown High School Literary Society held its first meeting of the year, a Halloween Masquerade, on Tuesday evening, November 4th. The meeting opened with the new president, Arnold Irwin, in the chair. The costume display was one of the chief interests of the evening, and the judges, Miss Connell and Fred Smith, encountered much difficulty in arriving at the decisions. The prizes were won by Miss B. Shaidt of the girls, C. Sinclair of the boys, while the comic prize was awarded to D. Thompson. A delightful program was put on by the members of the society, after which refreshments were served.
