A Family Group Photograph

Is a Photo you will ALWAYS Appreciate.

MANY Families will be united, perhaps for the last time, who knows. During the New Year Season some groups will have three, four and even five generations, and these make very interesting photos.

BETTER arrange for the Photo. NOW. If you cannot get to the studio, let me know and I will go to the house.

There is always someone somewhere who is anxious to buy what you have to sell, someone who has just the article you want to buy. To complete a deal, each must know the other's wants, and there is no better way to make these wants known than through the "want" columns of the Havelock Standard.

Consider Before You Vote.

Now that the Christmas festivities are over, we can settle down to the most important business of the year—the election of our civic officials. Generally, the electors—despite great enthusiasm on election day—are too indifferent about who will govern our affairs for the coming year. They show an indifference that would not be allowed for an instant in their private affairs, and frequently elect men to sit in the council who are totally unfitted for the position in every sense, and men whom they would not dream of allowing to manage or have a part in their personal affairs. In 1914 Havelock needs a sane business council especially qualified to deal with the electric light and power question and many other important questions which will come up in the course of the year. Honest and fearless men of sound business ability are needed and every elector should feel it his imperative duty to support the candidates possessing those qualifications and no others. Petty personal differences of opinion should be swept aside in the interests of the welfare of the town.

Muscular Rheumatism.

Muscular rheumatism exists in two forms: Acute and chronic. In acute muscular rheumatism there is first noticed a dull pain in the muscles which gradually increases. This pain often shifts from one muscle to another, and the working of these muscles makes the pain very severe. Muscular rheumatism is a blood disease and should not be neglected. A proper treatment should begin with the first symptoms. Rheumo is recommended by the foremost people everywhere because it drives all uric acid poisons from the blood and enriches it so that the system becomes healthy and free from tortures of rheumatism. Get a bottle of Rheumo today and rid yourself of rheumatism. Sold in Havelock, Ont., only at A. C. Deulke's drug store.
