THE SHORTER SERVICE.

A sensible example has been set by the Dean of Huron in shortening the Sunday services during the hot summer months, says the London Free Press, one which might well be followed generally in city and country.

It is a fair compromise between a full liturgy and the closing up of the churches for a long vacation as is done in some metropolitan centres.

When the mercury is in the eighties, and existence becomes a "stew" everywhere but in the cold storage, the short sermon is more welcome than a long one in any congregation. What the preacher has to say can be better remembered when pithily condensed.

It was the opinion of a great English Bishop that all that was essential to be said at one time in a sermon on the largest subject might be said in twenty minutes. A village clergyman in Ontario, discussing the point, contended that the time could be reduced with still better results, but the average congregation desired exhaustive discourses, as an evidence that the preacher's heart was in the work.

However this might apply to the seasons of cool temperature, and to those who may have driven long distances to settle down to Sunday instruction even they will probably agree that in July and August an exception may be allowed, as a relaxation to both pulpit and pew, which will dispose both to more hearty effort in the cause of religion when the season changes.

HAY WILL BE DEAR

Will Montgomery, of the 9th concession, Dover, in the city on Saturday. He says that the hay crop through Dover is very light this year. Hay will, as a result, be very scarce this fall, and according to Mr. Montgomery, who has kept an eye on the conditions through the county in the matter of hay, the whole crop will be considered a failure. He says that he expects that hay will be up to \$20 a ton this fall.

MR. O'HARA SINGING AT THE TEMPLE

Mr. Geoffrey O'Hara, a recent Chathamite, is singing this week at the Temple Theatre, Detroit, with the Big City Quartette. His last appearance was with the Spook Minstrels, still a big vaudeville attraction.

Mr. O'Hara got a good training back in the 29th singing in a quartette composed of James Rhody, Mort Sheldon, Wm. Wilson and himself. A good schooling has turned out a good profession.

FAREWELL TO ANOTHER TEACHER

The pupils and ex-pupils of S. S. No. 18, Harwich, held their second annual picnic in Purser's grove last Saturday afternoon. A number of the parents also attended, and though the pleasure was somewhat marred by the fact that this was the last time that teacher and pupils were to meet in that relation, the afternoon was agreeably spent in swinging, games, races, etc. Just before lunch, Councillor J. T. West made a few remarks and called upon Master Earl Pelkey, who read the following address:

To Miss Gregory:—We wish to tell you before you leave us how sorry we are to lose you, and to thank you for all your kindness to us in the past three years and a half, and for the good teaching we have received.

We hope your future life may be peaceful and happy, and that you will always make friends who will love you as we children do. As a remembrance we would ask you to accept this little gift.

Signed on behalf of the school.
EARL PELKEY.
ROY ELLIS.

June 29, 1907.

At the conclusion of the address, Master Roy Ellis presented a handsome ebony set, consisting of brushes and mirror.

Miss Gregory, who was evidently deeply touched, thanked the pupils for the memento of the happy years she had spent as their teacher, and reciprocated their wishes for the future.

We read of Spring, Summer, Autumn and Winter medicines. As if the Stomach, Liver, Kidneys, etc., underwent a dangerous period of transformation every three months. These three month periods are merely a human arrangement for convenience in expressing the climatic variations during the year. When you feel well, leave well alone; you are well. If you feel sick, or have been exposed to contagion, take the Veteran's Sure Cure. Dose—three to five drops only once a day; three days medicine cost one cent. Price, \$1.00 or 50 cents sent anywhere. If you can find a better constitutional cure, take it. We feel sure there is none sold. The V. S. C. Medicine Co., Limited, Seane Block, Chatham, Ont. W. E. BLENHEIM

Blenheim, June 29.—Mrs. R. M. Thompson is a Chatham visitor today.

Mr. Geo. Scroggie, was a visitor at Erieau on Thursday, the guest of Mr. and Mrs. W. H. Lugsden.

Ray Drain, who underwent an operation this week, is better and it is now expected that he will recover his health.

Mr. Warden, formerly of the Bank of Commerce staff, Blenheim, is visiting friends in town at present.

Mr. and Mrs. O. K. Morris have taken a cottage at the Eau, where they expect to enjoy the lake breezes for some weeks.

Kent Lodge, No. 274, A. F. & A. M., will attend divine service at Ridgeway on Sunday, June 30.

Mr. and Mrs. W. H. Lugsden, and family have moved to their cottage at Erieau.

The social held at the Rev. G. Gilmore's on Thursday evening was very successful, and those who attended report a good time.

The Rev. Mr. Colles, Inspector of Public Schools, of Chatham, and Mr. A. A. Merritt, Principal of the Blenheim school, presided at the entrance and leaving examinations.

Quite a number of the young people of Blenheim took advantage of the fine evening and drove out to the strawberry social at Cedar Springs last night. They had a very enjoyable time.

Messrs. Glen Crookshank, M. D., son of J. S. Crookshank, Blenheim, Blenheim, and Robert Wodehouse, M. D., son of S. Wodehouse, also of Blenheim, have passed the Medical Council, which entitles them to practice professionally in Ontario.

Mrs. Geo. Granger, of Blenheim, who was 74 years of age, died at ten a. m. on Wednesday, June 26. The funeral left her late residence this afternoon and proceeded to Evergreen cemetery, where the interment took place.

The Rev. G. McQuillan and Messrs. Ashley and Boreford Cooper were Erieau visitors on Thursday, where they enjoyed an afternoon outing on the water.

DOES YOUR HEART FLUTTER?

You know heart fluttering means you're not as well as you should be. It's an evidence of impaired nerve and muscular power. To obtain sure relief, try Ferrozone; it has a special action on the heart, as seen in the case of Thos. Grover, of Cole Harbor, N. S., who says, "If I exerted myself it would bring palpitation. To carry any heavy weight, or go quickly upstairs completely knocked me out. When bad attacks came on I lived in fear of sudden death. Ferrozone gave my heart the very assistance it needed, and now I am quite well." For heart or nerves it's hard to excel Ferrozone; 50c. per box at all dealers.

TOMMY BURNS SURE

New York, June 28.—Kid McCoy a confident Tommy Burns will beat Bill Squires, the Australian champion, when they battle for the world's title at San Francisco on the afternoon of July 4.

"Who do you think will win the fight, Kid?" asked a bookmaker at Sheepshead Bay track yesterday.

"Why, Burns will win. I didn't think this fellow Squires was the wonder they say he is, and then again, I have letters from friends of mine, who tell me Burns ought to beat him sure."

CABINET FOR PARDEE

Toronto, June 28.—The Toronto News' Ottawa correspondent says: Rumors as to cabinet reconstruction continue, and the latest of them concerns the succession to Mr. Hyman.

It is suggested that Mr. F. F. Pardee, for two sessions members for West Lambton, may take the post.

Mr. Pardee, who is the son of a minister of the Mowat cabinet, has a certain amount of prestige, and has shown himself fairly clever and alert and decidedly aggressive. He has yet, however, to show that he has any points of view other than those of an ordinary partisan, and if he came into the cabinet, would be a sort of replica of Mr. Hyman.

A BIG CELEBRATION

Everything points to a big and successful celebration here on July 12, when the Orangemen will gather at Chatham to celebrate the Battle of the Boyne.

Hugh Gallagher, of this city, has had communication with Mr. Weir, of Windsor, who informs him that there will be a solid turnout from Windsor and Detroit. During the past week, representatives from Bad Axe, Mich., Port Huron and Detroit, have been in this city making arrangements for the accommodation of the various lodges which they represent. Mr. Metcalfe, of Wheatley, was here on Saturday secured accommodation for the visitors from his town.

Fire At Little Current.

Little Current, June 29.—At 4 o'clock yesterday morning, fire broke out in the Mansion House barns, destroying E. M. Bradley's barns, insured; Queen's Hotel barns (fully insured); B. Maile's store and stock (small insurance); May Bros.' new livery barn (fully insured), and the Methodist Church (insured). Three good horses were lost in Bradley's barn. R. Maile's loss is heavy, he having a big stock with little insurance.

Good work by the engine and willing workers saved the two hotels.

L. O. L. NO. 1041 PARADE TO HOLY TRINITY CHURCH

The members of L. O. L. No. 1041, accompanied by the Orange Young Britons, paraded to divine service in Holy Trinity Church Sunday evening. There was a good attendance of the brethren, and they made a fine appearance on parade. They were headed by the pipe and drum band, which discoursed excellent music, and were led by Marshall W. A. Gallagher. The ladies of the lodge assembled at the church earlier in the evening and took their places in the seats allotted to them. The centre of the church was reserved for the use of three brethren.

Rev. Mr. Hodgins preached a very instructive and eloquent sermon, appropriate to the occasion. Excellent music was rendered by the choir. On the return to the lodge-rooms a hearty vote of thanks was passed to Mr. Hodgins and the choir for the very able sermon and the beautiful service.
